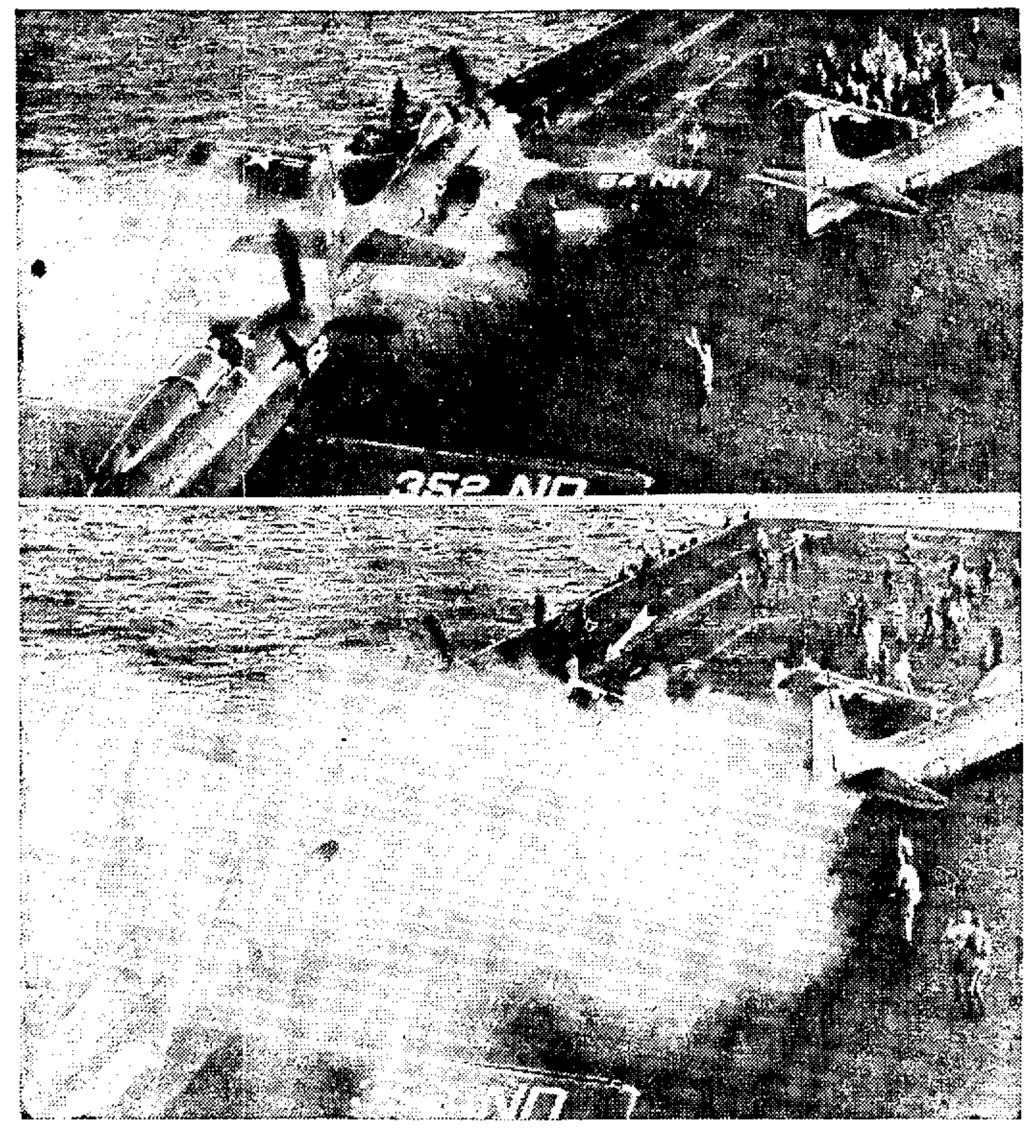
Reds Ask For New Talks; Charge Allied Warplanes Violate Accord In Attack



FAST ACTION on the part of a crewman aboard the carrier U.S.S. Bonhomme Richard, in Korean waters, saved the day when a million-candlepower flare accidentally broke loose and rolled beneath a fully-loaded Skyraider on the flight deck of the flattop. The flare (top) begins to burn as it rolls toward the plane. Below, Aviation Boatswain's Mate James L. Seig (arrow) grips the shroud lines of the parachute pack and hauls the blazing bundle to the side of the carrier. A moment later he had tossed it overboard.

New High-Level Director Favored

Group Would Cut Billion From Foreign Aid Program

New Bid Made To Limit U.S. Europe Force

Republicans Will Ask Six Divisions Only For Eisenhower

WASHINGTON, Aug. 9 (AP)—Another troops-for-Europe fight developed in the House today over a $56,000,000,000 defense appropriation bill.

Representative Coudert (R) of New York told newsmen he has "Republican leadership backing" and some Democrat support for an amendment to limit to six divisions the number of American troops that may be assigned to General Dwight D. Eisenhower's European defense army.

His amendment, similar to one defeated 163 to 158 in the House several months ago on the draft bill, would deny use of any funds for transportation or maintenance of more than six divisions for the Western European army being set up under the Atlantic pact.

The Senate early this year passed a resolution approving the sending of six American divisions to Eisenhower's command, but stating that congressional approval should be obtained before others are sent.

Coudert has phrased his amendment to conform to the Senate resolution, which is stalled in a House committee.

Its purpose, he said, is to prevent the assignment of more than 200,000 Americn fighting men to the western European army.

Secretary of Defense George C. Marshall recently told a congressional committee Army plans called for sending 400,000 troops to Europe. The Army chief of staff, General L. Lawton Collins, later reduced this figure to 340,000.

Third Hearing Set In 'Kentucky Riot' Case

A third hearing is scheduled Friday morning in Municipal Court to straighten out six charges filed after a "Kentucky-style" free-for-all battle Tuesday afternoon at a North Side home.

Judge George L. Brokaw granted another continuance Wednesday afternoon after listening to the second session of testimony on charges filed against Charles Howard and James Harmon, LaCroft brothers-in-law.

They are accused on various counts of breaking and entering and assault as the aftermath of a battle at the home of Mr. and Mrs. Raymond Coursin of Smithfield St.

The Coursins charge the trouble started when the two men forced their way into the home seeking Howard's wife, who left him after a disagreement.

Proposed Money Cut Would Hit Military And Economic Plans

WASHINGTON, Aug. 9 (AP)—A House committee reportedly has agreed tentatively to lop $1,000,000,000 from President Truman's $8,500,000,000 foreign aid program and place the entire program under a new high-level official.

The decision—subject to possible reversal later—was reported last night by members of the House foreign affairs committee.

Although some members were absent when the agreement was reached yesterday at a closed-door session, those present said they don't expect a reversal.

The committee plan would place both economic and military aid under a new administrator, appointed by the President and confirmed by the Senate. He would be responsible only to the President, but would work closely with the state and defense departments.

Such a plan could be expected to gain support from Republican forces which have been pressing for removal of foreign aid direction from Secretary of State Dean Acheson.

Committee members said the proposed money cuts would hit both military and economic aid. So far, most of the talk in Congress has centered on reductions in the economic side of the program.

Meantime, a brisk Senate fight appears brewing over the President's program of military and economic aid to Formosa, island stronghold of the Chinese Nationalists.

Chairman Connally (D) of Texas of the foreign relations committee, holding hearings on the administration's foreign aid plan, said flatly:

"I don't think Formosa needs military aid as long as Chiang Kai-shek is there. If Chiang can't protect Formosa, he can't protect much."

Nor does Connally favor as much Formosan economic aid as called for in the $309,000,000 military-economic program, he told a reporter.

On the other hand, a Republican member of Connally's group, Senator Knowland of California, indicated support of the administration's Formosa program.

"We just can't afford to let the back door to one of the most vulnerable spots in Asia stand open to the Communists," Knowland declared.

The two senators voiced their opposing views shortly after Senator McCarran (D) of Nevada appealed for a vigorous program of aid for the Chinese Nationalist government. He called it "the present center of future hopes for a democratic, non-Communist Asia".

McCarran, who heads a "watchdog" committee on foreign aid, made public a staff report urging that "we should spare nothing in the way of arms or other military aid" to Formosa.

Army Coach Will Bare His Plans Today

Blaik Holds News Conference Amid Rumors He'll Resign

NEW YORK, Aug. 9 (AP)—Earl (Red) Blaik, ringmaster of Army's powerful football teams for the last ten years, will chart his future today.

There are strong rumors he plans to step out as head coach at West Point.

The 54-year-old disciplinarian, famed for his two-platoon juggernauts, has declined to comment on these reports.

He called a press conference here and said he will outline his position then on the exam-cribbing probe at the military academy.

He has two choices:

1.—He can remain as head coach and try to rebuild Army's gridiron fortunes from a squad almost completely shattered by the expose. The bulk of his potent team is reported among the 90 cadets facing dismissal for violation of the school's honor code.

2.—He can resign. If he does so, it probably will be out of sympathy for the boys. Already he has strongly defended the accused cadets, stating: "I know them to be men of excellent character and as a group among the finest I have known at West Point."

The head coach's own son Bob is star quarterback of the team that in pre-season analyses had been figured to be one of the strongest in the country. It's not known whether he is one of the cadets involved.

As Blaik prepared to issue a statement on his future plans, West Point's football recruiting tactics came under fire.

The head coach denied the academy used "high pressure" means to get talent and added that its practices in this respect are "perfectly correct and proper".

Meanwhile, the Naval Academy also was brought into the recruiting picture when an 18-year-old end from Barrington, Ill., said he had taken all-expense paid tours of both Annapolis and West Point, but finally decided to go to the University of Washington.

In Washington, senators disagreed over West Point's policy of recruiting a few high school football players.

But for the present, at least, the Senate special investigating subcommittee has adopted a hands-off attitude on the West Point dismissals.

Takes Portugal Oath

LISBON, Portugal, Aug. 9 (AP)—General Francisco Higinio Craveiro Lopes took the oath of office as president of Portugal today.

7 Out For 3 City School Board Posts

County Has Total Of 237 Candidates For Subdivision Offices

The field for three seats on the Board of Education that will be filled at the Nov. 6 election was widened to seven Wednesday afternoon with the entrance of five 11th-hour candidates.

They were in the last-minute rush that pushed to 237 the total number entered for city, village, township and school district posts before the County Election Board closed its books on filings at 7:30 p. m.

The last-minute candidates, listed in the order in which they filed are:

Vernon Sanford of Dixonville, operator of a heating and air conditioning concern;

Dr. John Hayes, 3101 St. Clair Ave., who has practiced osteopathy since 1928;

O. E. Hall of Lisbon St., seeking his third term;

Raymond J. Parker of Montgomery Ave., an assistant cashier at the First National Bank, and

Attorney Robert A. Kapp, 314 Grant St., a practicing lawyer 12 years.

Attorney Raymond S. Buzzard, veteran of 12 years on the board, did not file for a fourth term.

Earlier candidates were I. A. Hoffman, also seeking a new term, and James T. Fortiner, Washington St. druggist.

Candidates swamped the board with petitions asking ballot places in 19 townships, 20 school districts and five smaller villages that elect on a non-partisan basis.

Eight larger cities and villages that choose candidates in primaries also will elect officials in November.

The Election Board will meet Monday to determine if all the petitions are legally correct. At

(Turn to FUND CUT, Page 7)

County Board Spots Vacant

But Write-In Route Can Be Used Nov. 6

Two seats on the County Board of Education will be filled with write-in votes at the Nov. 6 election, as no candidates filed before the deadline Wednesday night.

Write-ins also will fill seats in other villages, townships and school districts, including the Negley Local Board of Education.

The two members of the County Board in expiring terms failed to file for re-election.

Lloyd Farmer of Leetonia R. D. 2, president, previously had told County Superintendent James L. McBride that he would not run because another member is from the same district and he believes one is sufficient. Ben Weingart, vice-president of the board, is a next-door neighbor of Farmer.

John H. Lucas of Salineville R. D. 1, the only representative from the southern end of the county, did not file because he said he has "too much work".

He also is a member of the Yellow Creek Local Board, operates a farm and works at the Homer Laughlin China Co. He was named to the county board in June, 1950, to complete the term of the late W. B. Lindesmith of Hanoverton.

Hold-over members are Edward E. Braid of Homeworth R. D. 1 and Charles E. Hall of Minerva R. D. 3.

In case of a write-in, one vote is enough to elect. In such instances, the office goes to the person receiving the highest total, provided he can qualify otherwise.

Numerous constable and justice of the peace spots will be filled via write-ins, for lack of candidates.

CAUGHT IN TRAINING. A toddler's training chair can get a curious youngster into quite a predicament as little Bobby Pack, 1½, of Los Angeles will be glad to attest. Just how Bobby's head became lodged in the seat section is not known, but mom and the neighborhood finally had to call the police.

3 Water Line Breaks Linked To Landslide

12-Inch Main Hit In Rapid Succession On Hill Road Sector

A slow-moving landslide was blamed today for a series of three breaks in a 12-inch water line on the Pennsylvania Ave. "Hill Road" Wednesday and today that came in rapid-fire succession before weary linesmen could repair them.

The City Water Department said all are in a short stretch of the "Hill Road", spaced within 300 feet.

With one break repaired and another under control, linesmen started work on the third, which developed this morning. Interruption in service was not widespread because most of the big East End area is served from other lines, the department said.

One-way traffic is in force for several hundred feet along the heavily-traveled thoroughfare, as excavations had to be made in the blacktop to reach the line four feet underneath.

The zig-zag series was a veritable maze for motorists feeling their way through an early morning fog, but no accidents were reported.

Police directed motorists around the barricades.

The Water Department said the line has been dug up and re-laid at least four times over the years in the stretch that runs down a long grade toward Mulberry St.

However, the hillside slips slowly, only inches a week, but enough to shift the line and separate it at the joints.

Linesmen, aided by men "drafted" from Street Department crews, worked until nearly 3 a. m. to repair the most severe of the first two breaks. They were called out again this morning when the third showed.

The first break was discovered

(Turn to BREAK, Page 10)

Mattress Bank Falls As Thief Obtains $95

A West Third St. man told police his Old Homestead National Bank—a hiding place under the matress—was robbed of $95 Wednesday night.

Tony Sgro, 311 West Third St., told officers he concealed the money yesterday morning. He left the home between 7:30 and 9:30 last night, failing to lock the doors, and when he returned the cash was gone, he reported.

The money was in $20, $10 and $5 bills, officers said.

Joy Denies Air Assault Upon Truck

Hints Communists May Be Abusing Use Of White Markings

TOKYO, Aug. 9 (AP)—The Communist cease-fire delegation today charged—and the United Nations senior delegate firmly denied—that Allied warplanes attacked a Red supply truck between Kaesong and Pyongyang Tuesday in "a clear violation of the agreement between both sides".

The charge was contained in a note addressed to Vice Admiral C. Turner Joy, senior Allied delegate to the Kaesong talks. It was signed by Lieutenant General Nam Il, top Red delegate.

Joy replied that the Red charge was "completely without validity".

He added: "I note that the location of the attacks you allege is considerably east of the main road between Pyongyang and Kaesong. This fact raises the question in my mind whether your forces are abusing the use of white markings for purposes other than serving your delegation."

There were no armistice negotiations Tuesday, but Red radios have said the Communist delegation went to Kaesong anyway, expecting the U.N. negotiators to arrive.

U.N. headquarters said the Reds failed to properly notify the Allies of the route the truck would travel and the time of its journey.

Under the safe conduct guarantees for armistice delegations, opposing commanders must be notified of the routes and times of travel.

The Red protest said the truck was marked with a white cloth over its hood.

The Communists said the U.N. command had agreed at the July 8 preliminary meeting in Kaesong that trucks of the Red delegation would not be attacked by Allied planes if the vehicles were marked with white flags.

Storm Brings Hard Rainfall

Falling Trees Knock Out Electric Service

An estimated 4,000 East Liverpool wives got out of bed at 1:30 a.m. today to lower windows during a heavy rainstorm that their husbands pretended not to hear.

But they couldn't help hearing the claps of thunder that accompanied the sudden electrical storm that brought over half an inch of rain in half an hour.

Dam 8 said the rainfall measured 0.65 inch between 1:25 and 1:55 a. m. The lightning bolts caused some damage to power lines.

Lightning struck the electric light lines into the home of Russell Horton, 114 West Third St., blowing the fuses. The Fire Department was called but there was no fire.

The Ohio Power Co. reported homes in the 19th St. area of Wellsville were without electricity for a few hours early today when a tree fell across lines.

Service also was interruped on Route 39 in the Highlandtown area where transformer fuses blew out. There were similar isolated cases.

The Monongahela Power Co. office at Chester said about 20 homes on Redick Hill on Sixth St. Road, Newell, were still without power late this morning.

Work crews were searching for the cause of the interruption, apparently a limb or tree across lines.

A similar interruption occured on State Route 66, near Waterford Park.

At Wellsville, Safety-Service Director Charles Lewis said the storm blew over several small trees and a road marker near the Roadside Park and washed out several dirt streets.

He received several reports of water in basements of homes.

MISS CHICAGO. A student at Loyola University, Adrienne Falcon, 19, is Miss Chicago of 1951.

Writer Linked To Soviet Spy Ring In Japan

House And Senate Probes Begun On Far Eastern Policy

BULLETIN

WASHINGTON, Aug. 9 (AP) — Major General Charles A. Willoughby testified today that higher military authority overruled him when he sought in 1949 to "unmask" a far-flung Soviet spy ring.

WASHINGTON, Aug. 9 (AP)—Major General Charles A. Willoughby testified today that Guenther Stein, a writer, was "thoroughly implicated" in a spy ring the Russians had in Japan before and during World War Two.

He described Stein as an "itinerant journalist" who became a British citizen in Hong Kong in 1941.

Willoughby is a former Far Eastern military intelligence chief under General Douglas MacArthur, but has applied for retirement from the Army.

He testified before the Senate internal security subcommittee which is investigating the question of whether subversive influences have affected U. S. Far Eastern policies.

Simultaneously, the House un-American activities committee swung into action with its hearings on the espionage network.

The spy ring, working in Japan under the direction of Dr. Richard Sorge, a German Communist, tipped Moscow on war plans of the Axis powers.

In lining up Willoughby for testimony, the Senate group got the jump on the House committee, which had scheduled the general for hearings Aug. 21 and 22.

The House committee, however, made the Sorge case a two-ring attraction today by calling for testimony on the affair from a pre-war Japanese prosecutor now in the United States studying legislative procedure.

The House witness is Mitsusada Yoshikawa, who questioned Sorge after his arrest in 1941. Yoshikawa was public procurator of the Tokyo district criminal court at the time.

De Gasperi Asks O.K.

ROME, Aug. 9 (AP)—Premier Alcide De Gasperi will go before the Chamber of Deputies today to ask for a vote of confidence in his new anti-Communist cabinet—the seventh he has headed since the end of World War Two.

Tell Ridgway That They'll Follow Rules

U.N. Leader Gives No Indication Of When He'll Answer

TOKYO, Aug. 9 (AP)—Red commanders asked General Matthew B. Ridgway tonight to resume cease-fire talks.

In a long-delayed reply to a message Ridgway sent Tuesday, they repeated pledges they will observe the agreement neutralizing the Kaesong armistice site.

The Communist leaders told Ridgway everything would be all right "as long as you have no intention of creating incidents".

Almost simultaneously with this statement, the Reds filed a new complaint that the Allies have violated the neutrality agreements.

It was an open Red violation of the neutrality zone pact that led to a breakdown in armistice negotiations.

The United Nations commander had demanded "complete compliance".

They answered today via the Peiping Radio that "we have already solemnly guaranteed strict adherence" to the neutrality agreement.

And they added "we hope you will order your" truce team back to Kaesong.

There was no immediate indication of when Ridgway will reply, nor of when armistice negotiations might be resumed.

Red China's broadcast came a few hours after the Communists protested Allied planes had violated a safe conduct pledge for truce convoys.

The five Allied negotiators at their "peace camp" in Korea ready to return to Kaesong, if Ridgway so directs. News correspondents near the negotiators' advance headquarters were told tonight to "stand by" and not leave their press train.

There have been no negotiations for five days. They were broken off last Sunday by Ridgway after a company of armed Reds marched through the neutral zone Saturday. Ridgway demanded an explanation and assurances it would not happen again.

Ridgway may accept or reject this new Communist messae. On his decision rests the possible future of the armistice talks.

Colonel Patrick Welch, Ridgway's public information officer, said: "I have no idea when the general will issue an answer."

The pontoon bridge over which the delegates travel in a jeep convoy to and from Kaesong has been washed away again. It was the fourth time in three weeks the span has been carried away by the swollen Imjin River or deliberately taken down by American Army engineers in efforts to save it.

The break in negotiations has been the longest since they were started July 10. They were interupted twice before—once by Ridgway and once by the Communists. Each time it was for three days.

In the last nine sessions negotiators were deadlocked on where to draw a cease-fire line and establish a buffer zone.

* * *

Enemy Forces Abandon Triangle For Second Time

KOREA, Aug. 9 (AP)—Tank-led United Nations forces lumbered through the mud into Pyonggang yesterday and found that Red troops have abandoned their former "iron triangle" stronghold for the second time.

The Allied force was in the city for an hour and then withdrew. It was the first time in three weeks that U.N. forces had penetrated the town on the central front, 28 miles north of the 38th Parallel.

Communists put up determined resistance against Allied patrols elsewhere on the central and western fronts.

Some 40 B-26 bombers braved bad weather last night to continue around-the-clock raids on Communist airfields and highways.

County Has 5 Non-Partisan Village Slates

4 Communities Lack Trustee Candidates For Balloting Nov. 6

Here are the candidates who will seek offices in five small villages on non-partisan ballots at the Nov. 6 election. Where more than one is to be elected, the number is shown in parenthesis.

HANOVERTON

Mayor: Howard Hart.

Clerk: Alfred M. Ewing.

Treasurer: L. E. Faloon.

Councilmen: (6): Albert J. Loudon, Frank Knestrick. J. A. Marquis, William S. Rush. John D. Lindesmith, Joseph F. Wilson and Melvin McKarns.

Trustees of Public Affairs: (3) None.

NEW WATERFORD

Mayor: Earl F. Welch.

Clerk: Edward R. Eretz.

Treasurer: R. W. Gabe.

Councilmen: (6): Gilbert Mackall, Norman Wilhelm, William E. Ferguson, Carl J. Bretz, J. P. Sutherin and Howard Webber.

Trustees of Public Affairs: (3) Walter Fitzsimmons, Robert F. Myers, John W. Young and M. A. Beiling.

ROGERS

Mayor: Harold J. McCall and Charles M. Shafer.

Clerk: Maine Hall.

Treasurer: Charles S. Green and Edward L. Tullis.

Councilmen: (6): Clyde S. Dickey, Charles McDonald, Albert Starkey, Carole F. Crawford, Charles E. Hawkins, Lewis Stacy, Paul L. Pike, George W. Long and Earl H. Cusick.

Trustees of Public Affairs: (3): None.

SUMMITVILLE

Mayor: Frederick H. Johnson.

Clerk: Peter Marra Jr.

Treasurer: None.

Councilmen: (6): Ernest T. Phillips, Grant J. Kendrick, Earl Rogers and Paul Karaffa.

Trustees of Public Affairs: (3): None.

WASHINGTONVILLE

Mayor: Lloyd A. Culler.

Clerk: Margaret E. Spear.

Treasurer: John G. King.

Council: (6): Kurt W. Rohrer, Homer Heintzelman, Robert H. Kornbau, Leslie Tingle and John P. Volpe.

Trustees of Public Affairs: (3): None.

14 Independents Given Ballot Places

Fourteen independent candidates filed with the Election Board for offices in two villages and a city that conducted primaries in May.

Their names will appear on the office type ballots Nov. 6 without mention of party affiliation or their "independent" filing.

They are:

LEETONIA: Mayor, Orrin Deffenbaugh; clerk, Frank E. Thorndell; treasurer, Marion G. Lodge; council, Fred W. Galley, Elby A. Morris, Victor L. Hedl, James R. Beilhart, Paul J. Casey and Donald B. Vestel.

Trustees of Public Affairs, Marcus S. Holt, Vernon Walters.

COLUMBIANA: Mayor, Walter A. Thomas.

SALEM: Council president, John Taylor; councilman-at-large, George H. Bowman Jr.

Candidates Given For 19 Townships

Wellsville Sector To Have Contests For Squire, Constable

Here are the candidates who filed by the deadline Wednesday night for posts in Columbiana County's 19 townships. In cases where more than one will be elected, the number is indicated in parenthesis.

BUTLER: Trustee: Thomas E. McGowan and William Shores; clerk: R. R. Barber; justice of the peace: Grady Odom, constable: no candidate.

CENTER: Trustee: Earl E. Ruhl, Raymond H. Shive, Leo J. Hochman, Clarence Hephner; clerk: Norman E. Ward; constable: William E. Hiscox.

ELKRUN: Trustee: Ira Crawford and Walter H. Coie; clerk: L. H. Baker; constable: no candidate.

FAIRFIELD: Trustee: Hugh G. Farmer and Otis Lesher; clerk: George R. Keller; justice of the peace: no candidate; constable (2) Delbert Wilson Kunkle and Richard R. Wenderoth.

FRANKLIN: Trustee: Fred Rogers and Adrian Pitts; clerk: Coletta Kelly and Hugh MacNeill; justice of the peace: no candidate; constable: no candidate.

HANOVER: Trustee: Charles J. Gause, J. M. Ridgeway and Edward A. Haupt; clerk: Homer C. Dorr and Alfred L. Stoudt; justice of the peace: no candidate; constable: J. M. McKenna and Roy N. Painter.

KNOX: Trustee: no candidate; clerk: Walter A. McQuilkin and Bertha E. Iden; justice of the peace: Walter A. McQuilkin, and Russell E. Iden; constable, Earl W. Stewart.

LIVERPOOL: Trustee: Frank Gray, Harold D. Putt and Donald D. Shay.

MADISON: Trustee: F. A. Rogers and Walter H. McCaskey; clerk: no candidate; justice of the peace: no candidate; constable: no candidate.

MIDDLETON: Trustee: William A. Wilson, Robert W. Meek, and Richard Gorby; clerk: Harry E. Bricker and Louis P. Dickey; justice of the peace (2): no candidate; constable (2): no candidate.

PERRY: Trustee: Joseph G. Reese and Austin T. Getz; clerk: Richard L. Hutcheson; justice of the peace (3): John E. Dreher, Wade A. Loop, R. R. Johnson and T. R. Whinery; constable (2): A. H. Fults and John Herman Jr.

SALEM: Trustee: Charles E. Wilhelm; clerk: Frank S. Painter; constable: (2) C. R. Shive.

ST. CLAIR: Trustee: George A. Pilgrim, Arthur McDevitt and Ira G. Davis; clerk: Milton H. Stewart and J. Neil McIntosh; justice of the peace; Ernest L. Moore and James E. Horger; constable: (2): John W. Jackson, Harry E. Fickes, John R. Jackson Sr. and Clarence Blosser.

UNITY: Trustee: Stewart Lewis, Wallace A. McCown, Elmer R. Gotthardt and Paul B. Saviers; clerk: no candidate; constable (3): Forrest A. Stallsmith.

WASHINGTON: Trustee: C. R. Randolph, Howard E. Adams, L. D. Hoover, J. F. Burns and J. Albert Tolson; clerk: Herman C. Whiteside and Orvan T. Carter; constable: no candidate.

WAYNE: Trustee: James Todd, William C. Metts and Walter Watson; clerk: no candidate; justice of the peace: no candidate; constable: no candidate.

WEST: Trustee: Cecil McDole, E. F. Lippincott, Charles E. Marietta, Foster Treep and J. E. Syme; clerk: H. E. Greenfield, Robert E. Boord and Wilbur G. Hirst; justice of the peace: no candidate; constable: no candidate.

YELLOW CREEK: Trustee: Henry H. Taggart and Frank L. Custer; clerk: Walter Boyd; justice of the peace: Leroy McDevitt; constable (2): Otto J. Potts and Wesley McCune Sr.

WELLSVILLE: Justice of the peace (3): Harry Hammond, William A. Rager, William F. Long, Grayce A. Miller, Arnold S. Wright, John M. Liberatore and Charles R. Donaldson; constable: (2): Earl A. Frost, Isaac L. Freeman, Oliver W. Fullmer, Jack B. Brown and Clifford Athey.

Counties File Appeal In Flood Control Fight

COLUMBUS, Aug. 9 (UP)—An appeal was filed in Franklin county Common Pleas Court yesterday from the Scioto-Sandusky conservancy District Court decision approving the district's plan for a series of flood control dams.

The appeal was filed by Union county Prosecutor Luther Liggit and Delaware county Prosecutor Clyde Lewis on behalf of the residents of their counties.

The 17-judge conservancy court voted 9-7 July 20 to approve the plan, which calls for four flood control dams and levees along the Scioto and Sandusky rivers.

Lewis and Liggit fought approval of the plan on grounds that the village of Ostrander near Delaware would have to relocate if the Mill Creek dam were built and that the official plan was not properly submitted.

Lewis said the appeal probably will be reviewed by the Second District Court of Appeals early next year.

Not John At All

CAMBRIDGE, Mass. (UP)—The famed statue of John Harvard in the Harvard University Yard actually is a likeness of Sherman Hoar, a member of the Class of 1835, who posed for sculptor Daniel C. French. No portrait of John Harvard was available.

Children Repeat In Winning City Festival Event

It's easy to win an entertainment event when you're an "old trouper".

That's what Marlene Walsh, 8, and Patti Starr, 6, demonstrated when they took first place in the Junior Bathing Beauty Contest for the second straight year in the Old Home Week celebration Wednesday night.

Their parents are Mr. and Mrs. James Walsh, 322 Blakeley St., and Sergeant First Class and Mrs. Charles Starr, 435 West Church Lane. Sergeant Starr, Army recruiter here last year, now is in Columbus as sergeant major in the Ohio-Kentucky Military District.

The judges awarded the youngsters loving cups. The contest was sponsored by the Business & Professional Women's Club and Mrs. May Hartt, chairman, said 38 of the 44 entries appeared.

Tonight's event in the week-long celebration that began Monday will be a program at 7:30 by students of the Agnes Bulger Dance Studio in charge of Don Russell, teacher. About 20 youngsters will perform.

It will be sponsored by Carroll Council 509, Knights of Columbus, and Harold McNichol and James McGowan will be co-chairmen.

Town Appears Safe After Big Gas Blaze

EATON, O., Aug. 9 (AP) — The little town of Camden, 17 miles south of here, still had burning gasoline and kerosene early today, but its homes and business buildings apparently are safe.

Beginning at 6:40 p.m. yesterday, three explosions wrecked hugh storage tanks of the Wood Oil Co. and started a fire that seemed destined to burn for many hours.

There was no estimate of the damage, but almost 30,000 gallons of gasoline and 12,000 gallons of kerosene went up in flames.

All Thumbs

The critical citizen who volunteered the point of view reflected in the next two paragraphs is not what could be described as an administration baiter. He is rather one of a vast group of Americans inclined to be sympathetic with Mr Truman as he grapples with the complex problems of the day.

"But," pointed out the critical citizen, "the Truman administration reminds me more and more of a ball club on one of those days when the players are all thumbs. Even when they try to do the right thing they don't seem to have the knack. The administration certainly has the right to win in a two-party system for example but the way it's being done gives the impression that partisan politics has become hopelessly corrupt.

"Or take price control. It could have been handled in such a way as to make even those who doubt it's worth the effort feel kindly toward the government officials responsible for it. Instead it was handled in a way that made everybody blow his top because it looked as if the administration had begun to use it to encourage socialism. Or take foreign aid, inflation, the rearmament program, the mess in Korea or foreign policy in general. In every case the administration's intentions were good. But sooner or later the performance begins to get too many thumbs in it. Just like a ball club on an off-day. Except that the off-day in Washington seems to be permanent."

Talked Into It

Unless there is a complete upset, any agreement reached at Kaesong will legalize some kind of a dividing line between the northern and southern parts of Korea.

This will mean, if it happens, that the United Nations had been talked into something which the Koreans themselves never can accept and which the U. N. cannot justify.

Everything the U. N. has done in relation to Korea, including the war which it now is trying to end, has had the express intent of setting up an independent and a unified republic. Yet the effect of what it is doing in negotiations for a cease-fire agreement with recognition of a dividing line either on or near the 38th Parallel is to make certain there can be neither independence nor unity.

A Big Red Schoolhouse

The 19 non-tax-supported Ohio colleges which have formed a money-raising corporation to help support themselves with industrial gifts are moving in the right direction.

Whether or not they will be able to reach their goal of self-sufficiency is problematic. But all have known for a long time they were not going to reach it in the way they had been going. The philanthropists who formerly supported them were being destroyed by confiscatory taxes. A cheap-money policy had whittled down their income from endowments. The growing practice of subsidizing advanced education with tax revenue has placed them at a disadvantage in tuition charges.

Colleges beat the bushes endlessly for new endowment funds. But as separate institutions they are barely able to raise enough money to grow. Contributions in gifts require special money-raising campaigns. Hence the interest of the 19 Ohio colleges in forming a group to present the story of their collective need to industrial corporations.

The story itself is simple and direct. Unless the American people want to be taxed for the full cost of higher education the private colleges are worth saving. They are better adapted in many cases to train young Americans than tax-supported schools. In any event there is room for both.

Not Just Like Kimberley

A police department scandal has erupted in Buffalo. Cleveland has uncovered such bad conditions in its police department that a wholesale reorganization is under way. New York City police and fire departments are just beginning to settle back to normal after the housecleaning which furnished much of the dirt for the Kefauver hearings. Three dozen policemen have been discharged in Cincinnati following a kickback hearing.

So widespread and deep-seated has corruption become in public service, from police departments on up to the top levels of the federal government, that Americans are beginning to hold this [illegible]

That where ever an investigation can be set in motion it will uncover evidence of corruption among public employees.

This impression that public life has become just like the diamond country at Kimberley with scandals lying on the surface waiting to be found is inaccurate. But most impressions built on generalities are inaccurate. That does not make them any less damaging.

The greatest damage is that done to the morale of honest, upright public employees who become victims of blanket accusations. These employees never were more [illegible] than they are now when the spotlight is glaring on a few rascals who sold out public confidence for easy money.

Behind The News

By George Sokolsky

What Is Happening To The American People?

Senator Fulbright's proposal which amounts to shifting the West Point scandal to an investigation of intercollegiate football is absurd.

The problem is not football. It is the morals of a nation. It is not whether subsidized paid athletes in the colleges is to be forgiven. It is rather that something has gone out of this nation when something is taken as lightly as fixing which used to be called graft.

It is easy for those who think only in the terms of immediate party politics or even worse of their personal friendships to shunt off everything that happens into the category of the usual. But those who insist upon a moral criterion cannot help asking: Why is it usual? Why has it become usual?

— —

IT IS possible to say that the 20th century is not the 19th century but that does not mean that the 20th century is an improvement on the 19th or even on the 12th century.

What is called modern does not necessarily mean better, as anyone who listens to Bach and Shostakovitch on the same program knows.

If by improvement we mean that an automobile is a superior means of locomotion to a horse and buggy or that an electrical refrigerator is superior to a [illegible] and a row, then we have made very great progress.

But when the morals of man are considered we are halted by the astonishing record of the 20th century with its excess of divorces, its broken homes, its emphasis on homosexuality, its acceptance of materialistic Marxism in wide areas that were so recently Christian, its avoidance of such concepts as faith, honor, dignity, sacrifice.

If we assume that God is old fashioned and that his natural law is superstition, then we must not be shocked by what happened at West Point.

These 90 men accused of cheating contend that they are not the only ones and that it has been going on for some time.

Does that make it right? Is that an excuse for conduct? Because some men are dope peddlers is dope peddling justified? The position is so illogical that the men who use it as an excuse display their unworthiness.

This is a question that Americans have to answer if they wish to preserve our nation and our civilization.

It is impossible to say that deep freezers, mink coats, fixers close to the White House and incident after incident of loose morals in high places are usual in all governments. In our long history such incidents have been unusual.

These are the clinical evidences of a declining civilization just as wholesale and prolonged cribbing at West Point is a symptom of degeneracy among our armed forces. For these young men under the circumstances of West Point education could not have engaged in this practice without officer connivance. This undoubtedly is their real defense.

These symptoms need to be studied back to their causes. When there is such widespread degradation among the people it means clearly two things:

1—The moral leadership of the nation is inadequate for influencing oncoming generations in decent, dignified leadership and living.

2—The religious training of youth is inadequate to sustain them through the trials of life by precept, inspiration, example and by supplying the automatic restraints of moral conduct.

— —

THE INDIVIDUALS involved in the West Point scandal will suffer personal indignity and a loss of great opportunity, but there is much more to this.

This nation is now challenged by an incident which involves all our children. What is being done in our schools to build character? The public school ideal was designed not only to teach reading and writing but to breed a race of decent, honest, God-loving human beings. What happens to our children in the first years of their lives?

This we need to understand if we are to grasp our current apathy concerning indecencies. It may require going deeply into the whole question of national morals, of upbringing, of education, of purely functional schooling without religion.

We need to know why our people are not outraged at the shameless corruption of our country.

Something has gone terribly wrong with us and we need to know what it is and why it happened.

Inside On Labor

By Joyce O'Hara

Victor Riesel is on vacation. Joyce O'Hara, acting president of the Motion Picture Association, is substituting for him today as guest columnist.

Communists from now on are going to find it tougher and tougher to tap Hollywood pocketbooks or recruit Hollywood personalities to dress up their front organizations.

Big names, big money and control of film content were the aims of the Communists' conspiracy in Hollywood.

They never reached first base in their major ambition to inject propaganda into films. But for a time they got some big money and attracted some big names. Then came the revelations of the House un-American activities committee in 1947 and Hollywood was aroused to the menace from within.

— —

AS ROY M BREWER, Hollywood A F L leader, testified before the current House committee hearing, the basis of the power of Communists in the motion picture center is now broken.

Labor unions and talent guilds have been effective in [illegible] the conspiracy. The [illegible] played by producers is evidenced by the multi-million dollar lawsuit brought against them by the unfriendly 10 witnesses who defied the committee and were convicted of contempt.

Today Hollywood is better organized to protect its good name. The Motion Picture Industry Council, representing all segments of the industry, has supported the good work of the un-American committee, urged those subpoenaed to cooperate and alerted its members against subversive fronts that reflect on the community if they gain a foothold.

How communism came a cropper in its aim to penetrate film content is an illuminating and in one respects a ridiculous chronicle. Former Hollywood Communists who came forward to tell the House committee what they knew about the plot have testified that the front office stood in the way of every effort to inject subversive material.

One friendly ex-Communist witness told about a scheme to sneak in just a few "progressive" lines. The lines were innocuous enough to get by the front office, they thought. But the plotters dropped the idea for—said the witness—the lines didn't mean anything to anyone unless you had the Communist code book.

Other witnesses testified that Communists would have needed an unbroken chain from bottom to top in the studios to influence screen content and they never had that.

In America the front office in the motion picture industry means many top studio individuals. In Russia the front office means Stalin.

This was a standout impression for me on a trip to Russia in 1948 with Eric Johnston, president of the M P A A.

Every Soviet script must be on the beam with the party line. If the party line changes the script is a dead duck and perhaps the author is too.

There's no clearer proof than in the story we heard about Serge Eisenstein, once hailed in Russia as its premier picture maker.

Eisenstein had produced one installment of a three-part version of the life of Ivan the Terrible, an ancient czar whose memory was in favor of the Kremlin at the moment.

The initial installment was a hit. And when Eisenstein told American friends in Moscow that he had finished the second part they rapturously claimed it was the greatest work of his career.

But it was never shown. Eisenstein died. Some say of a broken heart. When we prodded Soviet cinema officials as to when the second installment would be shown they lied to us. They told us it had never been completed. Such a shame, too, they said, for now it must remain the unfinished masterpiece.

— —

WHAT HAD happened, we were reliably informed, was this: Stalin, who sees most pictures, had seen the second part of Ivan the Terrible and hadn't liked it. Perhaps he saw himself unfavorably reflected in the story of the ancient tyrant. Eisenstein and his masterpiece both became expendable.

The party line in all Soviet art has a way of switching suddenly, as does the political line, with resulting consternation and confusion among creative artists.

At the studios outside of Moscow Soviet film officials told us they had plenty of picture themes, but it was obvious they were then having trouble adjusting scripts to fit the party line. The sets were dark. They weren't making pictures.

This lack of production showed up some months ago when Russia began stealing ancient vintage American films to keep its theaters in operation.

These old films are packing in the crowds. The Russians claim they are German booty, but at least four of them are being shown against the protests of American producers who know better.

Picturemaking in Russia and picture making in America have this big difference:

Over there there is one front office, subservient creative talent and pictures loaded with propaganda.

Over here there are many front offices, free rein for creative talent, pictures that entertain and enlighten and an absence of propaganda.

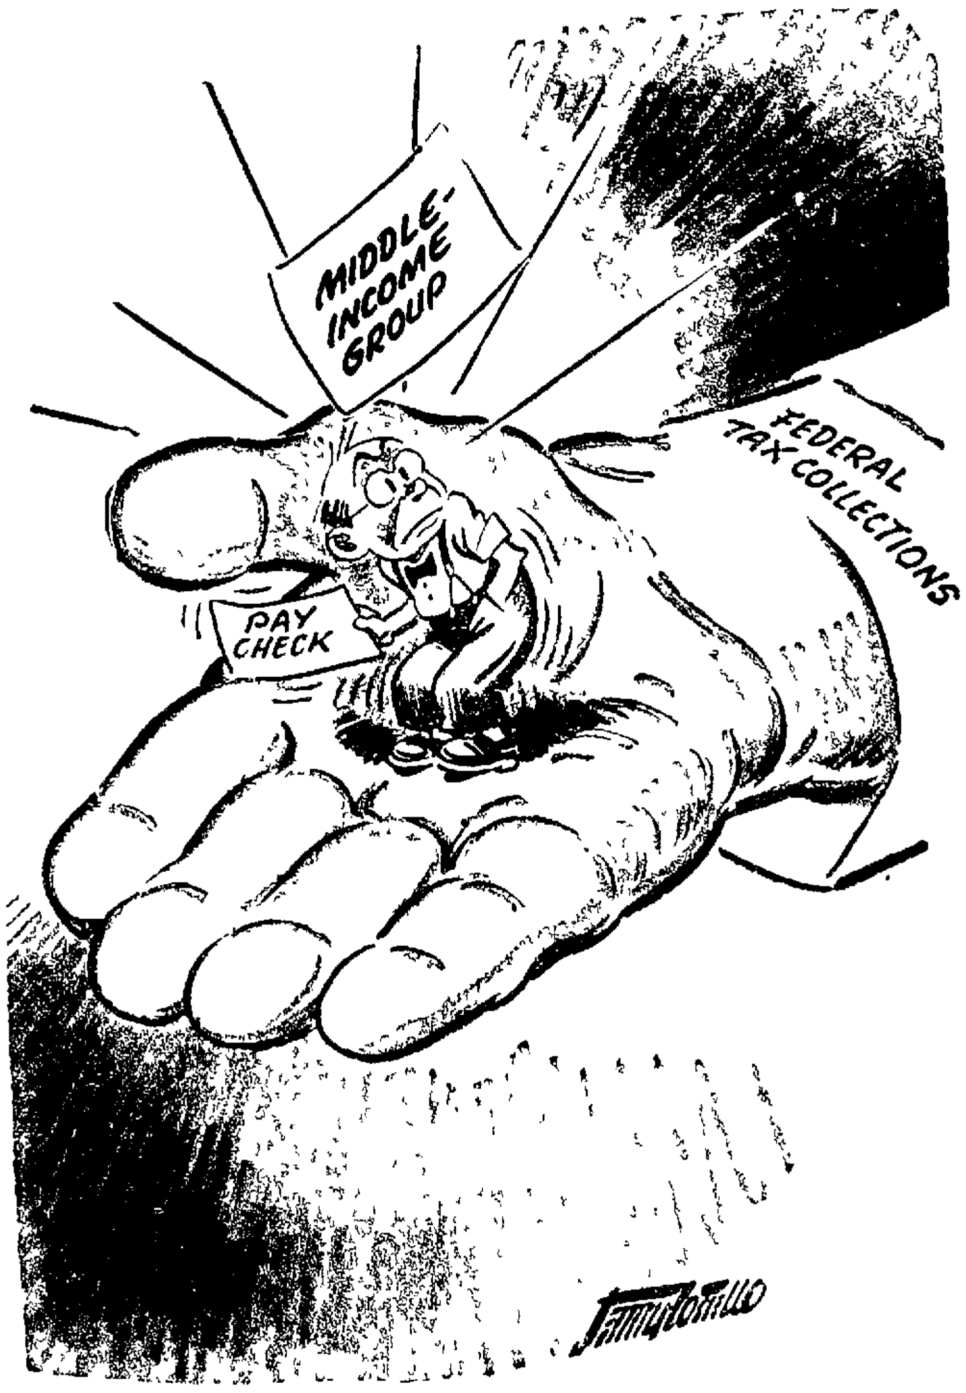
Another Squeeze Coming Up



Do They Want To Clean Up Politics?

By David Lawrence

Is the Senate subcommittee on elections in earnest about cleaning up American political campaigns or is its latest report on the Maryland contest just a piece of ephemeral publicity?

The report calls attention to the fact that it is the inherent right under our system of government of each state to choose its representatives in Congress, and that the Senate, in exercising its constitutional right to be the judge of the qualifications of its members, must guard against usurping such right of each state and must require the strongest and most substantial evidence before unseating a senator and nullifying the action of the electorate of a state.

Thereupon the subcommittee says flatly that the facts developed from the evidence before this committee are not sufficient in our judgment to recommend the unseating of Senator Butler.

IF THE committee had stopped there its work would have been in keeping with tradition.

But it issued a long analysis of the campaign criticizing the tactics and statements of only one candidate, the Republican, ignoring entirely the famous "whitewash" report which was sponsored earlier by the opposing senator, a Democrat, and formed the basis for the bitter campaign itself.

To deal only with one set of unfair attacks and not with an earlier set of unfair accusations which furnished the provocation is not to make an impartial study.

There is another committee of the Senate under the chairmanship of Senator McCarran of Nevada which now is investigating un-American activities and Communist behavior and it is taking up some of the same charges which, due to the Tydings committee "whitewash," aroused anti-Communists not only in Maryland but outside of that state who helped to defeat the Democratic candidate, Senator Tydings.

Nobody can justly question the loyalty or the patriotism of the former Maryland senator but there are many who have questioned and will question his judgment in not acting to make a thorough investigation of the charges before his committee as defined in the Senate resolution which ordered the inquiry.

The Senate subcommittee is right in denouncing the innuendoes that were used in the campaign against Tydings. Likewise it candidly admits that no specific standards of improper campaign conduct or acts have been set up as guideposts.

It is conceded by the Senate subcommittee that the issue as between fair comment and political defamation in the conduct of a campaign is a moot one.

It then proceeds to make some suggestions for legislation which would not only be wholly impracticable to carry out but would result in federal laws certain to be declared unconstitutional.

— —

THE REMEDY of the aggrieved candidate has been and always is to sue for libel under state law.

The much-discussed and properly denounced tabloid newspaper especially printed for the campaign which showed what was a "composite" photograph putting alongside of Earl Browder, a Communist witness at the hearings, and which bore a caption that implied the senator was treating the witness sympathetically or with excessive politeness is not a violation of federal or state laws dealing with elections.

The picture was labeled "composite." It was despicable and utterly indefensible from the standpoint of fairness, but so too are many of the political cartoons distributed during campaigns and printed in regular newspapers. This practice is fully protected by the constitution.

The subcommittee goes too far therefore in recommending legislation to cover all types of composites whether they be newspaper pictures, voice recordings, motion pictures or any other means or medium of conveying a misrepresenting composite impression.

This would certainly rule out many cartoons. And one wonders what political man in the Senate or House is to pass judgment on fairness or unfairness. Still cartoons which are directed [illegible]

If any Senate committee really wants to investigate unfair tactics in political campaigns there are other things worth examining as examples too, such as the innuendoes cast by President Truman himself in 1948 that Governor Dewey was giving aid to the Communists, the dirty politics charges in the recent Lehman-Dulles senatorial campaign and the scurrilous literature circulated in 1950 against Senator Taft in Ohio.

At an outing given by a C I O union during the campaign a big picture of Taft was displayed under which only his initials — R A T — were printed in large letters and onlookers were offered a chance at 10 cents to throw a baseball to hit the picture on the face.

Also there was circulated in different parts of the state a photo of Taft taken many years ago at a public forum at which Earl Browder also had been invited to speak. The photo showing Taft and Browder was flaunted prominently by opponents of the senator and was never disavowed by the opposing candidate. In fact he is accused of [illegible] it himself. He lost and what he did would not be subject to Senate rules of conduct and discipline.

— —

NOR SHOULD the anti-semitic and anti-Catholic literature circulated in the mails during and between political campaigns be overlooked or the activities of national labor unions which invade various states with crews of campaign workers who continue to receive salaries from unions in violation of federal law.

Corporation employees also give their time to campaigns and keep on receiving their regular salaries. This needs no Senate investigation — but more prosecutions by the Department of Justice.

The answer to much of this type of thing, to be sure, is pitiless publicity.

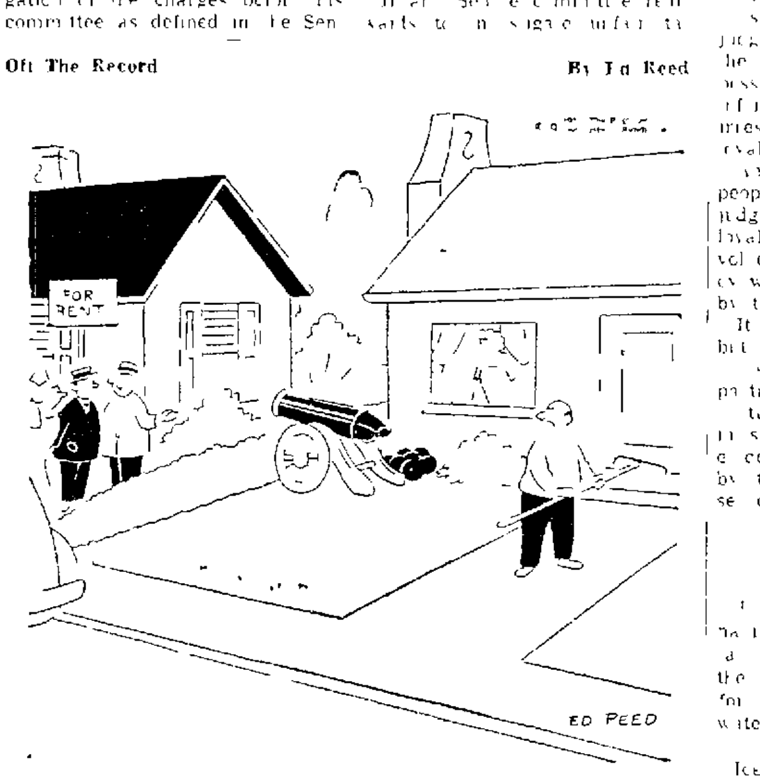
Extreme tactics usually boomerang and make votes for the candidate who is attacked. But it will disappoint many observers to read that this Senate subcommittee [illegible] faith in the capacity of the people to deal with [illegible] themselves at the polls. It is not a sufficient defense, the subcommittee says, to let the people themselves judge the charges. "The fact is that the people themselves are not in possession of sufficient reliable information on which to judge irresponsible accusations of disloyalty."

And who in this case kept the people from making that very judgment when the charges of disloyalty against various persons involved in making government policy were being examined last year by the Tydings committee?

It was a group of loyal, patriotic but mistaken senators who voted secrecy [illegible] and then by a partisan vote accepted a staff-written report which was drafted in such a manner that the real evidence could not be appraised by the press and impartial observers.

(c N [illegible] Tribune 1951)

Off The Record By Ed Reed



If you live a reasonably quiet life you shouldn't have any trouble with them

Odd Facts

The Amazon, Main River, is navigable for ocean steamers as far as Iquitos, 2,300 miles from the sea, and 486 miles higher up for vessels drawing 14 feet of water.

Iceland raises its tomatoes, cucumbers, melons and grapes in hothouses.

Once Over

By H I Phillips

Father And Son Dialogues

"Popper, will you please explain all about those 90 West Point cadets facing dismissal and perhaps being ruined for life?"

"Gladly, my boy. They were guilty of cheating. It served 'em right. We can't tolerate things like that among our young men, you know."

"Is it a new American campaign or something?"

"What do you mean by a new campaign?"

"I mean are we really going to be harsh with cheaters, popper?"

"Of course. Where did you get the idea we weren't harsh in such matters?"

"I thought the papers have been full of stories about people cheating and chiseling and being dishonest in all sorts of places, daddy. And I didn't read anything about 90 of them being fired fast for it."

"Ahem. I think the Smathers boy is whistling for you to go out and play, Junior."

— —

"**BUT POPPER,** just what did these cadets do that brought such swift action and made so many people throw up their hands in amazement? I didn't read that they bribed anybody, peddled influence for money, cashed in on any big defrauding operation, cleaned up a lot of money through Washington agencies or anything like that."

"Honor is honor, my son."

"Everywhere?"

"Most certainly. Perhaps a lot more in some places more than others. As stated in the ruling, there can be no compromise with honor and integrity."

"Who said that, popper?"

"The West Point leaders, Secretary Pace of the Army, senators, Congressmen, everybody."

"Why limit it to West Point, popper? Everyday I read about compromises with honor and integrity in many places but no wholesale dismissals. I somehow got the idea there wasn't much indignation."

"You read too much. Look! The kids are waving for you to come out and play ball."

"Is America's honor system limited to one age group, popper?"

"No, my boy, I will admit it sometimes looks as if America had one code for the 12-to-25 year group and another for the 25-to-75 year group."

"How many grown-ups pretty highly regarded in life, popper, never chisel, pull a fast one, take a mean advantage, break rules, forget ethics or ease up a little on the higher standards of conduct?"

"Junior, my head aches. Please run along."

— —

"**IS THERE SWIFT** action, popper, against men in high places who finagle, hornswoggle, get the edge, hit below the belt, brush off integrity, dodge the truth, defy the courts, break the rules and refuse to answer on the ground it may incriminate and degrade 'em, popper?"

"Will you scram like a good boy?"

"But gee, I'm sort of mixed up. Almost 100 young fellers were tossed right out on their ears, their careers halted and maybe their whole futures wiped out for cheating at exams and ..."

"Cheating is cheating. It is reprehensible! They violated the rules. I hope you don't think cheating anywhere should be treated lightly."

"That's just it, popper. Isn't it treated lightly all over except at West Point?"

"Duty, Honor, Country. These are the slogan words at the academy, my lad. They stir the spirit. They are the backbone of character, service and behavior. Who takes them lightly?"

"Don't thousands of Americans go in a big way for all the angles, the fast dollar, the inside dope, the percentages and the slick operation, popper? What about the 5 per centers, the lobbyists, the crooked federal agency operatives, the corrupt politicians, the slot dealers in lots of places, the cute lawyers and the all-around smoothies?"

"Scram, do you hear me? It's hot in here. Get out and play."

(Distributed by The Associated Newspapers)

Yesterdays

From The Review Files

THIRTY FIVE YEARS AGO—George Williams was nominated for clerk of courts, Willis Davidson for county auditor and Harry Dickey for county recorder in the Republican primaries.

Two property owners refused permission to the Hancock County Court to construct a road through their farms, blocking the erection of a proposed new school at Johnsonville, a mile east of Chester.

Albert Wilson was appointed truant officer in the East Liverpool schools to succeed the late F. M. Slay.

— —

TWENTY YEARS AGO—P. D. McCall of Wellsville was elected commander of the Columbiana County American Legion Council, succeeding Hugh Gleckler of Salem, at a meeting in Lisbon.

L. B. Miller, long distance automobile driver, passed through East Liverpool returning to California after having driven from San Francisco to New York over the Lincoln Highway in 65 hours and 33 minutes.

Mrs. G. A. Patterson was called to Trenton, N. J., by an accident to her daughter Betty Patricia, who fell and broke her leg while visiting her uncle and aunt, Mr. and Mrs. Louis Traver.

— —

TEN YEARS AGO—B. G. Ludwig, former East Liverpool High School principal, was promoted from principal of the Junior High School to principal of the Senior High School by the Salem Board of Education.

Robert F. Beatty, East Liverpool architect, recently called for active military service, was promoted from first lieutenant to captain and assigned to the TNT plant near Sandusky.

City Council promised an East End delegation to clean out runs through that section of the city after declaring there were no funds to cover the streams.

During the fiscal year beginning July 1 1951, the leather footwear requirements of the U. S. Army and Air Force were estimated at 220,000 pairs of service shoes a month, 500,000 pairs of combat boots and enough other types of leather footwear to make up an aggregate of 1,000,000 pairs a month.

City To Ballot On 7 Aspirants In School Race

3 Positions Will Be Filled Nov. 6; County Has 237 Candidates

(Continued from Page One)

the same time it will act on printers ballot bids

Frank R O Hanlon clerk said the number of candidates is not unusual for an off year election In the last similar balloting in 1949 there were about 260 office seekers

With the exception of Summitville the village slates virtually are complete Summitville lacks a treasurer candidate and aspirants for three members of the Board of Public Affairs

Rogers village faces the most spirited contests It has a two way race for mayor nine candidates for six council seats and a two way race for treasurer It too lacks Board of Public Affairs candidates

Washingtonville has five council candidates one short of the number to be elected Hanoverton has a seven man race for six council seats New Waterford s slate shows a contest for the Board of Public Affairs

East Liverpool district townships have races for most offices

In Liverpool Frank Gray incumbent trustee is opposed by Harold D Pitt furniture salesman and Attorney Donald D Snay

St Clair also has a three way race for the lone trustee seat It lists George A Pilgrim Arthur McDevitt and Ira G Davis J Neil McIntosh incumbent clerk, is opposed by Milton H Stewart James F Horger incumbent justice of the peace is opposed by Ernest I Moore

Four seek two constable posts including the two incumbents John W Jackson and his servicemen son John W Jackson Jr The other two aspirants are Clarence Blosser and Harry E Fickes

Wellsville township has wide open races for three justice of the peace posts and two constables jobs

The seven squire candidates are Harry Hammond William A Rager William F Long Grayce A Miller Arnold S Wright John M Liberatore and Charles R Donaldson Five seek the constable posts —Earl A Frost Isaac I Freeman Oliver W Fullmer Jack B Brown and Clifford Athey

Wellsville also has a contest for the Board of Education as six filed including two incumbents for the three posts The field jumped to six when five new candidates filed yesterday afternoon

They include Earl A Bake and Mrs Mary Rahter incumbents Thomas E Grafton Pete Mase and G Edwin Satow The term of Thomas Nelson president also expires but he is not a candidate

Bake is an insurance salesman and resides at 419 15th St while Mrs Rahter has a wallpaper store on Main St She lives at 711 Main St

Grafton 1117 Center St has a car agency on Main St

Mase is the owner of a shoe repair shop on Main St and resides at 611 Main St

Satow works for the Crucible Steel Co at Midland and resides at 1704 Lincoln Ave

Oddly enough no candidates filed for the County Board of Education although two terms expire

The Beaver Local School District which lies in St Clair and other nearby townships has no contests for its School Board With three seats to be filled the candidates are Lester Histon Harry W Bowman and Jack I Po ere

Yellow Creek District has a five way race for three seats Candidates are Jack R Bland Edwin H Crawford Paul T Talbot Arthur Boyd and Paul I Stewart

The filing rush tapered off in the last few hours although a couple of last minute candidates barely got under the wire

Just three minutes before the deadline Atlee P Frohley entered for the Knox Local School District Board of Education He had not started circulating the petition until late afternoon

Here is a brief biography on each of the new East Liverpool School Board candidates

Sanford Resides on Maxim St Dixonville and operates the Sanford Sales & Service He is married and the father of three children serves as a Republican committeeman in Liverpool Township s First Precinct

He is a member of the official board of the Church of the Nazarene teaches a Sunday School class and formerly served as Sunday School superintendent

Dr Hayes An osteopath he has been practicing 23 years It is his first political venture

Hall An employe of the Edwin M Knowles China Co for 31 years he has served two terms on the board the last two years as president A member of the First Methodist Church he has been active many years in Boy Scout and Parent Teacher Association work He is treasurer of the Columbiana County Boy Scout Council

Parker Has been associated with the First National Bank 27½ years Married he is a vestryman at St Stephen s Episcopal Church a member of Riddle Lodge 315 Masons and the Exchange Club and serves on the Red Cross Chapter s Board of Directors It also is his first political bid

Kapp A member of the law firm of Kapp & Cooper he served 3½ years in World War II as a special agent in Military Intelligence Married and the father of two sons he is a member of the Elks and Odd Fellows Lodges the First United Presbyterian Church the Kiwanis Club and the Grant St Parent Teacher Association of which he is president It is his first political bid

2 Trucks Destroyed In Lisbon Garage Fire

LISBON Aug 9 Special —Fire caused by a welding torch partially destroyed the Buckeye Coal Mining Co garage on Maple Ave about 8 30 p m Wednesday

Two trucks burned and girders of the steel building bent from the heat The roof and south side of the structure were damaged extensively

It took the Volunteer Fire Department and company crews 40 minutes to extinguish the fire fed by oil grease and escaping acetylene gas

Dr John Steele fire chief said the blaze started when gasoline ignited from the torch No one was injured

H H Pierson of Columbiana president and J R Kepner of Lein Cases secretary treasurer said the loss was not determined

Town Protests Fuel Gas Cut-Off

The State Public Utilities Commission considered today a complaint filed against the Natural Gas Co of West Virginia and the Lake Placentia Park Co of North Georgetown claiming suspension of gas service to 55 North Georgetown homeowners

The complaint was filed by Robert J Legg of North Georgetown on behalf of 55 families in the town of 130 persons

Legg charged in his complaint that suspension of natural gas service to the home owners caused both great hardship and monetary loss

He also charged that the gas company has arbitrarily refused to resume service which was halted on June 5 when the company shut off the gas and took out its main meter in that area

The complaint further stated that the Lake Placentia Park Co has been the agent for the gas company and that the park company notified the gas company on June 1 that it would no longer be responsible for gas consumed after June 15

Local Girl Leaves For U.S. Job In Paris

Miss Mary Louise Dotson daughter of Dr and Mrs K D Dotson 313 Thompson Ave of New York City today on the General Patch for Europe to serve in a civilian capacity with the Air Force

Miss Dotson was among 17 employees of Wright Patterson Air Base assigned to duty near Paris The group will land at Cherbourg and stop over in Bremerhaven Germany before beginning their two year assignment

She returned to Dayton a year ago after 24 months in Yokohama Japan

Rise In Living Costs Predicted By DiSalle

ATLANTA Aug 9 (AP) — Living costs are likely to go up 5 to 8 per cent says Michael DiSalle boss of the Office of Price Stabilization

He said he at first thought that the OPS is going to try its best to keep prices down but that he doesn t see how this can be done under the new price control laws

He predicted that the next 12 months will see from 10 to 16 billion dollars added to family budgets

We had about nailed prices down when Congress passed the new price control law DiSalle continued

The need now he added is for a law which we can administer

DiSalle was here to confer with regional O P S officials

County Entries Finish Second In 4-H Contest

LISBON Aug 9 Special) — Don Keich of Lisbon and Eleanor Freshley of Homeworth won second place positions in a district 4 H safety talk contest Wednesday at Leavittsburg High School

Harry G Smith associate county extension agent said both will be alternates for the state contest at Columbus later this month

Five boys and six girls were entered First went to John Coffman of Trumbull County and Janet Moore of Portage County

The judges were William Stuckey of the Industrial Commission of Ohio and Jack DeForrest of Salem editor of Farm and Dairy

Suit In Traffic Crash Asks $75,000 Damage

LISBON Aug 9 Special) — Frank Griner 47 a Pittsburgh truck driver filed a $75,000 damage suit Wednesday in Common Pleas Court as result of a traffic accident Aug 16 1949 on Route 14 west of Salem

Griner states he received permanent injuries when a tow car owned by the defendant Modern Auto Lease Corp of Philadelphia went out of control in passing and sideswiped the tractor

Seein' Things

KNOXVILLE Tenn (UP)—Glenda Choate 2 saw pink elephants but it wasn t from taking too many nips of east Tennessee moonshine Glenda swallowed some of her mother s reducing pills She told doctors she saw pink elephants and monkeys jumping up and down

ASHTABULA LADY LOST 30 LBS. IN 6 WEEKS

I feel like a new woman since taking Rennel and have lost 30 lbs in about six weeks writes Mrs Frank Kleindienst, 74 W 29th St Ashtabula Ohio I now look and weigh without dieting I no longer feel clumsy and can now do housework easier Thanks a lot Rennel for what Rennel has done for me

Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight Why not try this effective yet inexpensive method of reducing and enjoy the pleasure of feeling younger and more alive Try Rennel and notice the admiring looks you will receive from your friends as your figure becomes younger and your vitality increases Just go to your druggist and ask for 4 ounces of liquid Rennel Pour the contents into a pint bottle—add enough unsweetened grapefruit juice to fill the bottle and then take two tablespoonsful twice a day That s all there is to it If you aren t satisfied with the results return the empty bottle to the manufacturer and your money will be refunded You need never know a hungry moment while taking Rennel—no starvation diet—no printed diet list to buy—no vitamins to fool you against weakness while going hungry for you WON T be going hungry Don t be switched to another product insist on genuine Rennel

It will be a benefit for the church fund.

Flood Aid Goal Short

The East Liverpool Red Cross Chapter still is a long way from its goal of $1,000 for flood relief work in the Middle West. So far, only $78 has been reported at headquarters in the Mary Patterson Memorial, according to Mrs. Sarah Ostermann, executive secretary, who said even contributions amounting to less than $1 will be welcomed. The North Hancock County chapter in Newell, which has a goal of $225, has received only about $15 to date.

Births Reported

Mr. and Mrs. Ernest Holland of Wellsville R. D. 1, a daughter, Aug. 8, at City Hospital.

Mr. and Mrs. James McDevitt, 202 10th St., Wellsville, a daughter, Aug. 8, at City Hospital.

Mr. and Mrs. Harry Smith of Bloomfield, a son, Aug. 8, at City Hospital.

Mr. and Mrs. Edward Osgood of Wellsville R. D. 1, a daughter, Aug. 8, in the East Liverpool Osteopathic Hospital.

With The Patients

Mrs. Evelyn Dickinson, 1133 White St., Wellsville, entered City Hospital Tuesday for observation.

Mrs. Laura Kenney, who has been confined to her home on Springhill Ave., Wellsville, for a week with a kidney infection, is improving.

Mrs. Thelma McKinnon and infant daughter, Carol Sue, of 12th St., Wellsville, have been moved from East Liverpool Osteopathic Hospital to the home of her parents, Mr. and Mrs. A. L. Newton on White St., Wellsville.

Mrs. Helena Kennedy, 501 Jefferson St., Newell, is recuperating at City Hospital from an operation performed last week.

Lawrence Beck, 204 West Seventh St., school music supervisor, underwent a hernia operation Wednesday morning in City Hospital. His condition today was reported satisfactory.

Safety-Service Director Lawrence S. Bloor is in "good" condition today at City Hospital, where he was taken after suffering a heart attack Monday.

Mrs. Margaret Radeschi, 2135 Crawford Ave., is recovering at City Hospital following an operation Wednesday.

Frank Cascio, 849 St. George St., underwent a major operation this morning at City Hospital.

Miss Sally Scott of Bradshaw Ave., a student nurse at City Hospital, but affiliating at Cleveland City Hospital, is confined to the local hospital by illness.

Cooper Under Knife

SANTA MONICA, Calif., Aug. 9 (AP)—Actor Gary Cooper, 50, was reported resting comfortably at St. John's Hospital today after undergoing an operation yesterday for hernia.

Parents Visit Y.M.C.A. Camp For Camp Fire Entertainment

Parents were guests of the campers at the weekly camp fire Wednesday night at Pine Ridge Y. M. C. A. Camp in Madison township.

The session is the final boys' period for the year. A period for girls will open Sunday with Mrs. Carl A. Werner in charge, and will be followed by two periods for midget boys.

Three vacancies exist for the girls' session, General Secretary Carl A. Werner said. A total of 63 campers and seven leaders can be accommodated.

The first period for midgets will open Aug. 19 and close Aug. 22. The second session will start Aug. 24. Additional information can be obtained at the "Y".

The annual businessmen's picnic will be held Aug. 23.

Clarence "Bud" Means is director of the boy's program. He is being assisted by Edward Woods, Robert Niblock, Robert Gessford, Pete Gerace, Jackman Vodrey, Jerry Wines and Earl Burlingame.

Those attending camp are:

Tommy Archer, Larry Clark, David Celio, Lonnie Bemis, John Kapp, Bert Dawson, Jack Boyd, Stephen Norris, John Conway, John O'Brien, Keith Lovett, Sam Raimond, Sonny Stephens, Kenneth Cunningham, Terry Westlake, Jack Azzarello, Franklin Wilson, Michael Gatrell, Frank Witherow, John Witherow.

Billy Pusey, Woody Pusey, Bobby Pusey, Terry Reynolds, Bertram Wakefield Jr., Larry Fitch, Ronnie Doughty, David Yanni, Ronny Anusich, Skip Hall, Jay Sanford, Dennis Wells, Peter Nease, Robert Milne, Robert Springer, David Heckathorn, David Sixt, Robert Berman, David Varlan, Jerry Wagner.

Jon McGraw, Bobby Barrett, Kenny Poynter, Roy Dray, George VanVlack, David McFaul, Harold Gregory, David Massey, Gary Dickey, John Dopler, William Hodgson, Keith Graham, Douglas Graham, John McKenzie, Tom Miller, Patrick Cooper, Ronald Ammon, Robert Fettes and John Boyd.

Wellsville Driver Cited In Accident

Robert S. Moore, 1729 Chester Ave., Wellsville, is scheduled to receive a hearing today before Mayor Donald Day of Wintersville on a reckless driving charge as an aftermath of an accident Wednesday afternoon on Route 7 about a mile north of Steubenville.

The State Highway Patrol at Wintersville said Moore's car hit the rear of a truck driven by Ross E. Thompson of Beaver Falls as both were traveling East. Considerable damage was reported to both vehicles.

Polio Hits 6 Children Of Family In California

LOS ANGELES, Aug. 9 (AP)—Dread polio has laid low six of the eight children in the family of brick worker Donald F. De Mars.

All six of the youngsters are in Los Angeles General Hospital. Two of them—3-year-old Richard and his oldest brother, Donald, 10—are in respirators.

Barth Named Secretary

Bamer Elevated To Head Of Webb Corp. Brewery

William Bamer, veteran employee was elected president of The Webb Corp and Harold Barth prominent city resident was named secretary treasurer when the Board of Directors held a reorganization meeting Wednesday

Bamer who started with the brewery in April 1933 when it was the Crockery City Ice & Products Co was elevated from the post of secretary treasurer

He succeeds D A Olivo Akron attorney who resigned in order to devote more time to his law practice He is in the law firm of Olivo & Wood Previously office manager Bamer was named secretary treasurer last August when Olivo was elected president

A resident of 731 Minerva St Bamer is an officer in Carroll Council 509 Knights of Columbus and vice president of the Municipal Sinking Fund Commission He is a member of the Eagles Lodge He is a bachelor

His promotion to the top post along with the selection of Barth provides more of a local hand in the management of the brewery the only remaining one in the Ohio Valley between Pittsburgh and Be[illegible]

Barth also a bachelor is secretary of the Columbiana County Tavern Owners Association a post he has held for five years He will continue those duties

He also is secretary of the Rotary Club and of the East Liverpool Historical Society and is curator of its museum in the Carnegie Public Library He was secretary of the Chamber of Commerce for many years until retiring about 1940

The directors also voted to continue the services of H J Geiger as consultant for Henry Paczek brewmaster since May 1950 and also an employee since 1933 Geiger is a graduate of the U S Brewmasters Institute in New York

The company also completed arrangements to enter its product in Pennsylvania with the opening of a distributorship in Sharon and an extensive sales and advertising promotion was mapped at the meeting

The Webb Corp purchased the brewery and ice plant June 1 1946 and it is a member of the Ohio Brewers Association and the national Small Brewers Foundation

The new officers began their duties today

Shell Bursts Too Soon, 29 Paratroopers Hurt

FORT CAMPBELL Ky Aug 9 (AP)—An 8 pound armor-piercing bazooka shell exploded prematurely on a firing range yesterday and injured 29 paratroopers

Lieutenant Colonel Reginald Jackson public information officer said four of the men are considered critical All are attached to F Company Second Battalion 503 Air Borne Infantry Regiment

Jackson said the 3 5 inch shell exploded during firing practice in the Roaring Springs area about 15 miles from the central part of the reservation

Cub liaison planes were used to fly the injured to the base hospital

Jackson said a board of officers will conduct an investigation The explosion was the first major training accident this year at Fort Campbell where both infantry and air borne soldiers are based

Council To Consider Licensing Hucksters

City Council agreed at a caucus session Wednesday night to consider huckster licensing legislation designed to protect East Liverpool food dealers against price cutting competition

Meeting with Attorney Paul Tob[illegible] counsel for the Tri State Food Dealers Association council asked him and Solicitor John B McDonald to confer on a suggested ordinance for the session Aug 20

Council also met with Civil Defense heads who requested additional funds A $2 000 appropriation granted the first of the year has been exhausted

Young Reds Arrested For Deserting Festival

BERLIN Aug 9 (AP) — The West Berlin newspaper Telegraf reported today that more than 60 young East German Communists have been arrested by Red police for deserting their world youth festival to visit West Berlin

The newspaper added that ' several leading officials of the Communist youth movement have been fired and arrested because of a breakdown in supply and organization for the festival

Turn To War Work

OTTAWA Aug 9 (AP) — The National Research Council says Canada s scientists including her atomic energy specialists have turned most of their efforts to war work

Break

(Continued from Page One)

yesterday morning when seepage appeared on the surface of the downgrade approach to East End the office said Work started shortly after noon

Linesmen discovered that it was not serious—separation at a joint caused by the slide shifting the line The second break turned up about 3 p m about 100 feet from the first

The first was quelled temporarily by closing a valve part way to reduce the pressure in the line The second a clean break required replacement of a length of pipe Men worked through the driving rainstorm to finish the job and one veteran Joe Horner turned up this morning with his hands so sore from digging that he was unable to work the Water Department said

The third break is about 300 feet from the first two on the level straightaway of the Hill Road The excavation had not reached the main by mid morning

To clear the main for the work the department turned off a valve near Pennsylvania Ave and State St The interruption affected only about a half dozen homes in Midway Alley which lies off the Hill Road section the department said

However the State St valve may not hold and if it s necessary to close a valve near Mulberry St service will be shut off for State St School Alley and Kent St the department said

A 20 inch line that runs from the low service reservoir along the River Road and then feeds into a main at Virginia Ave supplies water for the balance of the East End area the department said

City Audit Postponed By 'Slip' Of Examiners

The scheduled audit of accounts and records of East Liverpool city departments by the State Bureau of Inspection and Supervision of Public Offices has been postponed indefinitely State Auditor Joseph Ferguson said today at Columbus

Ferguson said the audit has been canceled because examiners inadvertently notified ' certain city officials of the exact date the audit was to start He said this is contrary to the practice of the state auditor s office

He declared 'The purpose of any audit in public offices or private business is destroyed partially if advance notice is given that records and accounts are to be examined on a certain day and date '

Ferguson emphasized his action in postponing the East Liverpool examination is no reflection on any of the city officials

It is just a strict matter of policy as well as good business practice he said

7,000 Are Vaccinated In Bid To Nip Smallpox

REEDSBURG Wis Aug 9 (AP)—A team of doctors worked towards a goal of 7 000 smallpox vaccinations today as this small central Wisconsin community sought to complete its protection against an outbreak of the ancient scourge

Six doctors working in an improvised clinic set up in a high school handled a constant stream of people all day yesterday They expect to vaccinate 7 000 by this afternoon completing the job

Although the population of Reedsburg is 4 300 medical officials decided families in the surrounding farm area also should be treated

The campaign started yesterday after the illness of a 55 year old rural woman was diagnosed as smallpox Symptoms develop eight to 16 days after exposure

Public gatherings have been banned for at least a week but business places remain open Individuals not vaccinated will be quarantined

Leaders Picked For Scout Drive

Columbiana Council Boy Scouts of America has named Mark Klingelsmith Columbiana banker as chairman of its annual fund raising campaign according to James A Reaney of East Liverpool chairman of the finance committee

Chester Roof Salem banker will be vice chairman Committee chairman will be selected later

Scheduled to run Oct 8 24 the campaign covers all districts except those having Community Chest drives The council s budget for 1952 is $20 975, compared to $19 [illegible] this year

Firestone Elected By National Orioles

Sanders Firestone of East Liverpool was elected a supreme trustee at the Fraternal Order of Orioles 41st national convention Wednesday in Columbus

A past president of East Liverpool Nest 169 Firestone also is a past state president

Others attending as delegates from the local nest were Patrolman Robert Pyle Norman Neilson and John Orr Mrs Robert Pyle represented the auxiliary Mrs Neilson and Mrs Orr accompanied their husbands although not as delegates

Other national officers from this section are John Wa[illegible]k of Akron warden and N G Simons of Akron trustee

Red China Woos Nepal; India Keeps Eyes Open

NEW DELHI Aug 9 (AP)—Reliable sources said today Communist China has approached Nepal urging establishment of diplomatic relations

Nepal is linked closely with Tibet—now virtually a military territory of Red China

Communist wooing of Nepal an independent kingdom in the Himalayas is being watched carefully here since Prime Minister Nehru publicly has constituted India as protector of the mountain state Nepal s 500 mile rugged frontier guards the northern approaches to the Indian subcontinent

McCarthy Snagged By Routine Business

WASHINGTON Aug 9 (AP)—Routine Senate Business today threatened to delay Senator McCarthy s plans to make public the names of 29 State Department employees whose loyalty he says has been questioned

I don t plan to delay the calendar call by making my speech in bus[illegible] the Wisconsin republican told a reporter But I hope to get the floor possibly late in the day

Photographer 'Roughed Up' At Struck Plant

50 Women Escort Newsman To Car At Philo Power Station

ZANESVILLE, Aug. 9 (AP)—A newspaper photographer was "roughed up" by a group of 50 women yesterday outside the strikebound Philo plant of the Ohio Power Co., the Zanesville Times-Recorder reported today.

It was the second time in three days that a photographer had met difficulty at the plant. The cameraman, whom the newspaper did not identify, said the women grabbed him and escorted him back to his auto.

Sheriff Harry J. Bealmear said the women blocked off a main entrance to the plant. He said they were urged on by a group of men standing near by.

The C.I.O. Utility Workers of of America is striking three Ohio Power plants—at Philo, Brilliant and Beech Bottom—in a dispute over a retroactivity clause in a proposed pay raise.

Officials of the company's plant at Beach Bottom said yesterday they have called in the F.B.I. to investigate possible sabotage to company installations.

They said most serious damage done was the severing of a cable which held open a sluice gate in a water spillway tunnel on the river side of the plant.

Other vandalism reported by the company include jamming of locks on company property with pieces of wood or nails driven into keyholes; tossing of rocks, bottles and other objects at supervisory employees' autos and the spreading of nails and tacks in roadways used by company personnel.

Union officials and members have denied any knowledge of the activity.

Meanwhile, at Zanesville, Common Pleas Judge Clarence J. Crossland yesterday ordered contempt proceedings started against the union and banned picketing at the Philo plant.

The action came after company officials complained that 14 feet of plant railway had been tampered with, telephone wires cut, and tacks scattered at plant entrances.

There still is no indication of any resumption of negotiations between company and union.

Ohio Power yesterday asked for a permament injunction against picketing at its substation and maintenance plant at Newcomerstown. The company contended the road to the substation had been blocked and the telephone circuit shorted.

Common Pleas Judge J. S. Hare denied the request, but he modified a restraining order previously issued that forbade the union from interfering with the company's operations in Tuscarawas county.

SEARCH FOR WAR PRISONERS. Members of a new U.N. commission have begun their task of returning to their homes about half a million World War Two prisoners, most of whom are reported to be still in Russia. Left to right are Aung Khine of Burma, Countess Folke Bernadotte, the former Estelle R. Manville of New York and widow of the U.N. mediator slain by assassins in Palestine, and Jose Gustavo Guerrero of El Salvador, who was elected chairman. Most of the missing prisoners are German, Italians and Japanese. The Russians claim they have released all prisoners except those serving prison terms as war criminals.

West Virginia Reports 62 Billion Fund Balance

CHARLESTON, W. Va., Aug. 9 (AP)—The state's general fund balance as of July 31 stood at $61,-998,387, Treasurer W. H. Ansel Jr. said yesterday.

The figure included $52,034,752 in cash and $9,963,635 in short-term investments for the benefit of the fund.

Transfers from the general account last month included $2,400,-000 to the general school fund, $7,553,406 to public assistance and $252,300 to the state special revenue fund.

The report showed other investments totaling $109,495,580, securities in safekeeping of $70,023,635 and liabilities amounting to $79,-427,000.

Of the liabilities, $78,927,000 consisted of outstanding state road bonds.

Other cash totals set forth by the report included special revenue fund, $16,237,460; state road fund, $13,105,242; workmen's compensation, $6,773,836; public assistance, $5,742,616.

Phone your ad by 5:30 p. m. for the next day's paper. Reach these buyers right away while they are still interested.

West Virginia Eyes '52 Vote

Copies Of Election Calendar Sent Out

CHARLESTON, W. Va., Aug. 9 (AP)—Machinery in the presidential-year primary election is rolling, although ballots won't be cast until next May 13.

Copies of the 1952 election calendar have been mailed to county clerks and circuit clerks throughout the state.

Certificates of announcement for candidates are being prepared and will be distributed in two or three weeks, Secretary of State D. Pitt O'Brien said.

The voters will be called upon to select a successor to Governor Okey L. Patteson. They also will elect one United States senator and a Congressman from each of the state's six districts. Democrat Harley M. Kilgore is the senator whose term will expire.

Other statewide offices to be filled include secretary of state, superintendent of schools, treasurer, auditor, attorney general, commissioner of agriculture and two seats on the five-member Supreme Court of Appeals.

The Supreme Court judges whose 12-year terms expire are William T. Lovins of Huntington and Frank C. Haymond of Fairmont.

West Virginians next year will elect 100 members instead of the usual 94 to the House of Delegates. That was brought about by the 1951 legislature in a redistricting measure.

In the state Senate, 16 seats also must be filled.

Judges will be elected in 27 judicial circuits, including three new circuits in Harrison and Marion counties and of Cabell county Common Pleas Court also will be chosen.

The counties will elect sheriffs, prosecutors, assessors and in some cases clerks and circuit clerks. At least one member of each of the 55 county courts also must be elected.

Long Preparedness Called For By Truman

WASHINGTON Aug 9 (AP) — President Truman says the United States must maintain large armed forces for a long time to come if we are to protect our freedom and prevent World War Three

We are building up our armed forces because we want peace—peace in all the world Truman said yesterday in dedicating a lounge in Washington's Union Station for use by the armed services

The lounge ordinarily used by presidents for the reception of foreign dignitaries was visited by some six million servicemen and women during World War Two It will be operated by the United Service Organization

B-M Papers Name Officers

Thomas S. Brush In New Vice-Presidency

CANTON O Aug 9—Stockholders of Brush Moore Newspapers Inc at their annual meeting Wednesday re elected the following members of the board of directors Roy D Moore Joseph K Vodrey William H Vodrey Thomas S Brush James R Troxell William T Moore and John D Raridan

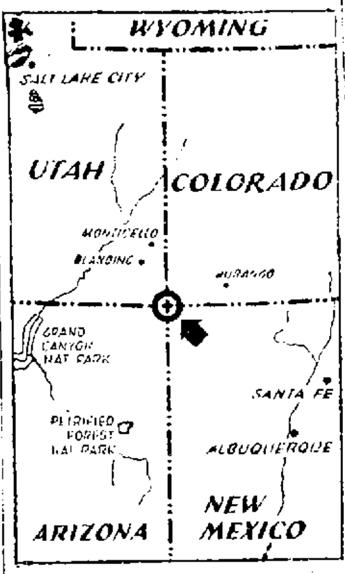
Four Corners Area

Western Desert Land Yields Vital Uranium



PHOENIX, Ariz. Aug. 9 (AP) — A high, bald plateau in the Indian country of the southwest—lying astride the juncture of four states—holds the explosive seed of many atom bombs of the future.

The area, covering some 200 square miles in Arizona, Utah, Colorado and New Mexico, is impregnated with an estimated 80 per cent of the nation's known uranium deposits.

It is already producing about 90 per cent of the strategic mineral in the United States and may become the first major field to bolster our defense effort.

The district is known popularly as the Four Corners area and is almost completely within limits of the sprawling Navajo Indian reservation.

In the past it has been considered a colorful arid wasteland, cut by sharp defiles and treacherous canyons, many of them never explored by white men.

But today it holds the country's hopes for more and more of the dangerous stuff that has helped mold foreign policies and remake the world's alignment of power.

The four corners deposits are both a blessing and an enigma.

Charles H. Dunning, veteran Arizona mining figure and for seven years director of the Arizona Department of Mineral Resources, says there is every indication the present mines operating in the area will be increased many fold.

He thinks the richness of the ore, at present all low grade, will rise steadily, although it will never reach the quality of pitchblende, source of uranium in Canada and the Belgian Congo.

"But how the uranium got there is a mystery Dunning said. "There is no universally accepted geological explanation of what made it occur."

The radioactive ore has been found mainly in sandstone, in what geologists call the Grand Canyon sedimentary series. The puzzler is whether the uranium was laid there as the sandstone was forming, was deposited later in some upheaval of the earth's crust or came in through some fissure in the formation.

"We don't have the answers to these questions," Dunning said, "as we do when uranium occurs in an igneous (volcanis) formation."

With or without answers, however, production and discovery of new deposits is going forward slowly. There are already more than 25 mines sending ore to mills at Monticello, Utah, and Durango, Colo.

The richest find to date will soon be adding to the total. It is located in the Lukachukai Mountains of northeastern Arizona. The property will be mined by F. A. Sitton, who is already producing uranium in his home area of Dove Creek, Colo.

Dunning estimates this new discovery will average seven to eight pounds of uranium oxide per ton, compared with four or five for all previous finds.

The Atomic Energy Commission discovered the Lukachukai ore by a new method vastly superior to the prospector's patient search for a visible out-cropping of ore.

It sent teams into the field to locate favorable formations, then tested its calculations by drilling. The results were highly satisfactory, Dunning said.

The ore differs from that in most of the mines. It is a uranium copper phosphate. Much of that found in the area in the past has been carnotite (uranium vanadate) which occurs in petrified wood, and some autunite (uranium calcium phosphate).

The future of the Four Corners area is bright. There are no illusions it will ever have mines comparable to the major copper operations that have fathered so many communities of the west. But the time may not be distant when numerous small mines dot Navajo homeland.

It may prove a great boon to the poverty-stricken tribesman. The Indians receive a 10 per cent royalty of the production of every mine.

The development of America's modern ready-to-wear clothing industry grew out of problems of military supplies. World War One saw the first large-scale standardization in this field.

Proceedings of the Courts

Common Pleas

Clarke Funeral Home, Toronto, vs. William Stewart, Lisbon R. D. 3; action to collect $298.40 claimed due on funeral expenses, interest from April, 1949, and costs.

Frank Griner, Pittsburgh, vs. Modern Auto Leasing Corp., Philadelphia; action for money only, $75,000 and costs.

2 More Hurdles Faced In French Cabinet Bid

PARIS, Aug. 9 (AP) — Premier Rene Pleven today faces the last hurdles in the month-old race to end the French cabinet crisis.

The tall, soft-spoken businessman from Brittany must first piece together a coalition cabinet from three groups of opposing politicians.

He must do it in such a way as not to offend a fourth group that refuses to join the cabinet, but whose support will be necessary to obtain a vote of confidence.

Then he must present the cabinet to the National Assembly for approval.

The Socialists joined in voting confirmation of Pleven as Premier-designate yesterday, but forbade their members to take cabinet posts.

Serve eggs often in Summer meals—in salads, as sandwich fillers. They're valuable for their excellent quality of protein (growth material), their iron and certain vitamins.

States Adopt New Laws For Mentally Sick

'Better Legislation' Was Called For In Report After Survey

WASHINGTON Aug 9 (AP)—During the last year a number of states adopted legislation designed to cope better with mental disease

Their actions may have been prompted by a report published by the Council of State Governments after it surveyed mental health programs of the 48 states

That report published in 1950 was made with the co-operation of state governors It said better legislation was one thing needed to enable states to better handle a problem so vast as almost to stagger the imagination

The difficulty today the report continued is not that hospitalization of the mentally ill is governed by statutory provisions and legal procedures but that such procedures are archaic and cumbersome "

The council s survey showed that 37 states provide for commitment to a mental hospital by a judge after examination by one or more physicians 11 employ special or standing commissions and in 11 others commitment is the responsibility of physicians alone

A number of states the report said once required trial by jury in cases of involuntary commitment but today only one state—Texas—makes trial by jury mandatory

The U S Public Health Service has rounded up this list of recent actions in a number of states

Arizona—Established a requirement that sanity hearings be held in places other than courtrooms

Georgia—Enacted an indeterminate sentence law for insane prisoners providing that they remain imprisoned until sanity is restored

Idaho—Adopted a new code covering state mental hospitals

Iowa—Changed the name of insanity hospitals to mental health institutes

Kansas—The legislature drafted a proposed constitutional amendment for referendum in 1952 It would authorize a permanent property tax levy to provide a building fund for institutions for the mentally ill and physically handicapped

Minnesota—Created a commission to study the state s mental health program

New York—Provided that the mental hygiene department shall keep records of admissions and examinations in licensed private hospitals as well as state mental institutions

Georgia Iowa Minnesota North Dakota Rhode Island and West Virginia enacted new legislation on alcoholism or drug addiction

The report by the Council of State Governments showed that most states require periodical inspections of fire hazards and sanitary conditions in mental hospitals

Sinatra Admits Divorce Plans So He Can Wed Ava

RENO Nev Aug 9 (AP)—Crooner Frank Sinatra announced today that he will divorce his wife Nancy so he can marry Actress Ava Gardner

The entertainer talked affably with newsmen in his suite at the Riverside Hotel where he will open a $25 000 two week singing engagement tonight

I m going to file for divorce while I m here Sinatra said

Nancy didn t want to come up here for the divorce but she has no objection to my filing for it

He said money matters and custody of their three children were settled in their separation agreement some time ago Under terms of that agreement Mrs Sinatra gets one third of his income

Asked if he will marry Miss Gardner—with whom he has been romancing in the U S Spain and Mexico—Sinatra grinned and said I would assume so

The singer said he won t know until he talks with his lawyers when the divorce will be Under Nevada law he must remain in the state six weeks until a suit may be filed

9 Here To Go To Legion Rally

The two East Liverpool posts will be represented at the annual American Legion state convention over the week end in Columbus

The convention which was to open today will end with a parade Sunday afternoon

I V Vorndran Verne Blazer and William Brokaw will be the delegates from Post 4 Alfred Wedgewood Post 374 will send James Walove, C H Moore George Bartley Earl Starley Wayne Dorsey and Charles Stull commander

The Junior Drum and Bugle Corps of Post 4 will take part in the convention parade leaving here in the post s bus Saturday night The corps consisting mainly of high school students of the tri state area will be in charge of Walter Campbell director

Freight Rates To Go Up Soon

Railways Get O.K. On 9 And 6% Boosts

WASHINGTON Aug 9 (AP)—Railroad freight rates are going up adding an estimated 548 million dollars to the nation s annual freight bill

The Interstate Commerce Commission yesterday approved application for 9 per cent increases in territory east of the Mississippi River and north of the Ohio and Potomac rivers

Six per cent increases were authorized elsewhere in the country

Railroad spokesmen indicated the new rates probably will go into effect Sept 1 The I C C requires 15 days public notice of new rates

The increases were authorized over protests of the Office of Price Stabilization The O P S had warned that the increases would have far reaching effects on government efforts to hold down prices

The railroads had asked for a general 15 per cent boost They indicated today they may renew their demands later

The increases the ninth to be granted since the end of World War Two will replace temporary boosts of 4 per cent in the East and 2 per cent elsewhere

The I C C emphasized that its latest increases are not permanent because the authority for higher rates extends only until February 1953

Italian Flood Kills 19

COMO Italy Aug 9 (AP)—At least 19 persons have been killed in a flood which continued its wild rampage in this area today after 36 hours of heavy rain

Resolutions Await Convention

War Against Narcotics Mapped By Ohio Legion

COLUMBUS, Aug 9 (AP)—Committees put finishing touches on two anti-narcotics resolutions today as Ohio Legionnaires got ready to open their 33rd annual convention

A Lancaster post resolution asks that the death penalty be provided for anyone convicted of selling dope to teen-agers The other resolution, sponsored by the Bertley post of Cincinnati, seeks all-out support for legislation to curb illegal traffic in narcotics

More than two score resolutions will be worked on before the convention begins Friday

Two resolutions are based on the controversial firing of General Douglas MacArthur by President Truman.

One submitted by Sandusky Legionnaires, protests the firing and asks for the dismissal of Secretary of State Dean Acheson. It also asks a thorough probe of State Department personnel, foreign policy and the influence of foreigners upon U S policy

Another, from Post 23 of Portsmouth, urges a vote of thanks to MacArthur "for his efforts to protect and preserve our nation"

More than 10,000 Legionnaires and their wives are expected by Sunday afternoon, when a parade will climax the convention Three affiliated groups are holding their conventions at the same time

Two other resolutions deal with draft deferments or postponements for college students They are from Sandusky and Euclid. The Euclid resolution says in part

"We believe every boy should have a college education, but if anyone has to be shot, we don't think mere attendance at a college and a good grade test is any criterion for deferment"

A resolution from New Philadelphia calls for a speedup of deportation of illegal immigrants

The Belle Center post would urge greater Legion caution in denouncing suspected Communists and in supporting the views of anyone who has been a Communist

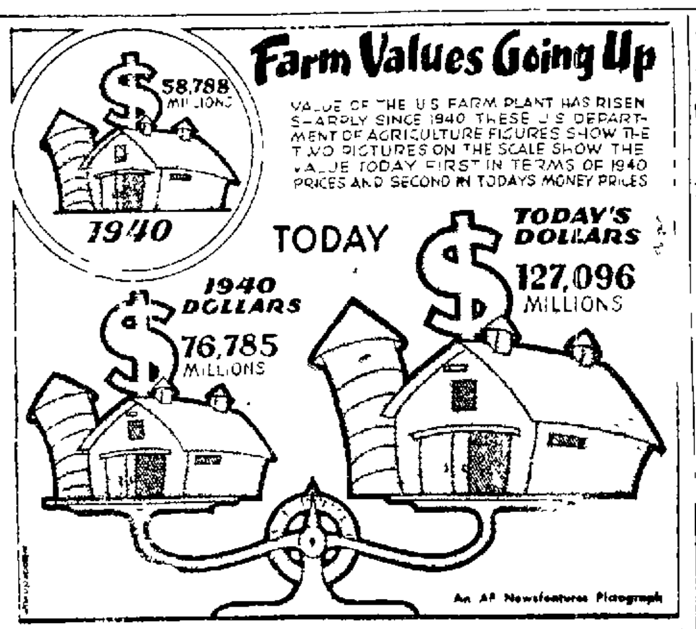
Kinsman Legionnaires want roadside parks named after servicemen from near-by areas who were killed in world wars or the Korean conflict

A Put-in-Bay resolution asks the Ohio Legion to join the Canadian Legion in holding an annual international peace memorial observance there

Most of the resolutions are expected to be considered Saturday

Ohio backing is sought in other resolutions for three candidates for national Legion offices

Bruce P Henderson of Warren for commander, Rev John E Duffy of New London and Rev I F Lee of Hillsboro for chaplain The resolutions are from their home posts



Moon's Day Off

DETROIT (UP) — An excursion boat service which specializes in moonlight trips on the Detroit River advertises—"Moonlight every night except Monday"

Car Carrying 11 Kills Child When It Rams Into 4

DAYTON, Aug. 9 (AP) — A depression-vintage auto—jammed with 11 persons—hit four children from behind yesterday, killing one and injuring a second critically.

Mrs Bernie Howard, 28, said she and her six children were walking off the traveled portion of Route 69, just outside the city limits The youngsters were about 20 feet ahead of her

The 1935 car bore down on the family group Mrs Howard told sheriff's deputies she saved herself by jumping into weeds at the side of the road

Struck down was 8-year-old Talmadge Howard, who died at Miami Valley Hospital shortly after the car hit him His sister, Phyllis, 6, underwent brain surgery at the hospital last night Her condition was described as poor.

Two other Howard children, Joan 10, and Harold, 3, were treated at the hospital and released

The driver of the auto was identified as Clyde E Mann, 41, of Dayton There was one other adult in the auto and nine children, Deputy E C Eubank said

Mann was arrested on charges of driving while intoxicated and reckless driving.

Liquor Head Questions Claim Ohio 'Hides' 6 Million Profit

COLUMBUS, Aug 9 (AP)—State Liquor Director William C Bryant says he doubts the state made and did not report a $6,000,000 profit on liquor sales during the last two years

Senator Albert L Daniels (R) of Greenfield said yesterday the state is "hiding" at least $6,000,000 by refusing to transfer liquor profits and by building up a huge inventory.

"I have only had a very few minutes to examine the published report," Bryant said last night "It would appear to me that the $6 000,000 referred to probably represents amounts due on orders which have been placed but not paid for.

"In an operation as large as this, there is a continual placing of orders to replace stock sold in the liquor stores That involes incurring the obligation to pay for that which we have ordered"

Daniels said the financial report of State Finance Director Herbert D Defenbacher showed the state made a profit of $23,000,000 during the 1945-46 biennium on sales of $225,000 000, but that during the two years ended last June 30 the profit amounted to only $21,575 000

This was $4,225,000 below the profit estimate of $25,800,000, Daniels said

"Yet it is a matter of record that during 1949 and 1950 Ohio sold more liquor than during any other comparable period in history, but the profit accruing to the general revenue fund of Ohio was less than it was for either of the preceding two bienniums"

Defenbacher said he knew nothing of any actual cash surplus of $6 000,000, but that Daniels might be confused by what he termed "floating obligations". He said the Liquor Department customarily has about $6 000,000 worth of liquor in transit.

Bryant said the department's inventory July 28 was down to 960,000 cases of liquor, valued at about $30,000 000.

Korea May Be 'Decisive Event', Bunche Declares

DENVER, Aug. 9 (AP)—Nobel peace prize winner Ralph J. Bunche contends emphatically that Korean action is not useless and, in fact, "may well prove to be the decisive event in our times".

"Those voices which speak of the uselessness of the Korean action speak falsely," he told the University of Denver World Affairs Institute last night.

The director of the United Nations Department of Trusteeship also said:

"They deliberately ignore the highly significant fact that the Korean decision was the first instance in history of collective police action to repel aggression.

"They avoid the vital truth that Korea sounded the harsh alarm for the free world and purchased invaluable time in which free peoples might mobilize their strength.

"Korea has demonstrated the immense potentiality of collective action by peoples whose sights are true. It has provided a most solemn warning to all would-be aggressors of the future."

Tobey Improving From Hemorrhage

TEMPLE, N. H., Aug. 9 (AP)—Senator Charles W. Tobey (R) of New Hampshire today was reported "in seclusion" recovering "slowly but surely" from a cerebral hemorrhage suffered July 15.

His daughter, Mrs. Louise Dean, said the senator and Mrs. Tobey left their summer home for an undisclosed spot "several miles distant" to get away from the telephone which rang steadily since the illness was announced in Washington.

She added the 71-year-old senator has been "up and around" for some days and is recovering "slowly but surely".

Tobey's face became familiar to thousands of persons when television carried the proceedings of the Senate crime committee, of which he is a member.

Buys Bargain

GOSHEN, Ind.—Three dollars won Robert B. Zook the Republican nomination for city councilman-at-large. Zook filed an expense account listing as his only campaign cost a $3 donation to the party organization.

New Chester Budget Sets Up Raises For 4

Police, Street Men To Benefit; $31,311 Estimated For Year

Chester City Council Tuesday night approved a $31,311 budget for the fiscal year through July 1, 1952, that includes possible salary boosts for four employees.

It is an increase of $1,024 from the $30,287 spent in the preceding 12 months.

Clerk James L. Paisley said the community's 1907 charter prohibits municipal office-holders or employees from receiving wage increases during their current terms, so council aproved salary increases for the jobs of building inspector and city engineer—year-to-year positions exempt from the charter prohibitions.

The jobs were created four years ago in an emergency move to give salary hikes to Police Chief Floyd Lyons, who was named "building inspector", and Street Commissioner Elzie Halstead, who was given the "city enginer" title.

The proposed increases call for 12½ per cent for the two-man police force and the two-man Street Department.

The budget must be submitted to State Tax Commissioner C. H. Koontz at Charleston for approval.

Estimated receipts, except current taxes, are $13,482, a drop of $960 from the $14,442 last year. Council set the tax needs for the year at $17,829, an increase of $2,344 from the $15,485 levied last year.

The tax rate on the three property classifications remains the same—12.5 cents for each $100 valuation in Class I; 25 cents on Class II, and 50 cents on Class III.

Estimated revenue includes $1,082 on hand; $1,500, uncollected taxes from sheriff; $1,000, police fines and costs; $3,500, paving and sewer assessments; $1,200 rents, buildings and concessions; $500, capitations, $2,500 liquor consumers' sales tax; $1,000, amusement tax, and $1,200 general receipts.

The estimate indicates an increase of $500 in liquor consumers' sales tax.

Estimated expenditures are $300, mayor's salary; $250, clerk's salary; $350, treasurer's salary; $250, city attorney's salary; $600, councilmens' salaries; $3,360, police chief and patrolman's salaries; $450, Police Department general expense; $1,200, Fire Department general expense; $1,200, janitors' salaries and supplies.

Also $925 for repairs to jail and city buildings; $150, stationery and office supplies; $20, postage; $3,600, water for fire protection, streets and sewers; $100, water for city building; $2,600, street lighting; $700, City Hall lights and traffic lights; $1,000, heating city building, and $350 telephone and telegraph.

The estimate shows an allocation of $200 for legal publications; $900, insurance; $275, election expenses; $1,000, Engineering Department salaries; $1,872, street employees' wages; $4,334, materials, supplies and expenses of Street Department; $1,500, maintenance of sewers; $175, workmen's compensation premiums; $100, tax commissioner's audit; $1,000, contingent expenses, and $2,550, building inspector salary.

The $1,000 for Engineering Department salaries is an increase of $350, and the $2,550 for the building inspector is a $1,050 boost—sources of funds for the proposed wage raises for the four employees.

Employees of the Water Works received wage boosts last winter.

The assessed valuation on three property classes increased by $1,544,738—from $6,601,760 last year to $8,146,498.

Class I, composed of personal and public utility property, is valued at $4,811,678, against last year's $3,556,160. Class II, real estate, is $1,567,700, compared to $1,530,200. Class IV, real estate, personal property and public utility property, increased $251,720 from $1,515,400 to $1,767,120 for the coming year.

GRACEFUL AS A BIRD, lovely Marcia Ames demonstrates that wings are not necessary to flight as she skims above the sand and wavelets on Miami Beach.

Bulb Burning 45 Years Interests Electricians

HUMBOLDT, Ia. (UP) — Miss Elizabeth Burley can't understand why an electric light bulb in her dining room continues to burn.

Electricians have tried to buy it to discover why, too, but Miss Burley isn't selling.

She bought the bulb when her house was wired in 1906 and it's been burning brightly ever since.

Byrd Group Still Rules Virginia Democrats

RICHMOND, Va., Aug. 9 (AP) Virginia's Democratic organization headed by U.S. Senator Harry F. Byrd emerged from Tuesday's primary elections as strong as ever.

Control by the Byrd group was never in doubt because only in a few contests was there any real threat to organization candidates.

The Byrd faction lost two Senate races in areas where it had expected touch-and-go battles, but it scored nearly a clean sweep in other contests in the off-year voting.

School Budget Up $163,000

Hancock Estimates $1,515,000 Needed

A tentative $1,515,000 budget for Hancock County schools for the current fiscal year was adopted by the Board of Education at a meeting Tuesday night at New Cumberland.

It is an approximate $164,000 increase over last year's expenditures.

A budget breakdown, in approximate figures, follows:

General control, $34,065; instruction, $853,700; operation of plants, $110,600; repairs and replacement, $43,000; transportation, $51,000 auxiliary agencies, $6,900; fixed charges, $12,920; current obligations, $46,000, and capital outlay, $294,000.

The budget will be advertised and confirmed at the Aug. 21 meeting if there are no objections.

The board also approved tax rates—unchanged from last year. They include Class I, 34.425 cents per $100; Class II, 68.85 cents, and Class III and IV $1.31.7.

The board accepted the resignation of Mrs. Margaret Goodman as Science teacher at Wells High School, Newell.

Oldest Mason Proves It

First Army commander, and Brazilian Ambassador Carlos Muniz. Aurelio is in the U. S. to confer on possible preparation of Brazilian soldiers for U.N. duty.

Adonis, Erickson Face Contempt Trial In October

NEW YORK, Aug. 9 (AP)—Big-time gamblers Joe Adonis and Frank Erickson pleaded innocent yesterday to charges of contempt of the United States Senate. They are scheduled to go to trial next month.

They were accused of refusing to answer key questions at the televised Senate crime committee hearing in New York last March.

Federal Judge Edward J. Dimock gave them until Sept. 10 to file pre-trial motions. The trial date then will be set.

U.S. Attorney Irving H. Saypol said he expects their trials and that of Gambler Frank Costello, who previously pleaded innocent on a Senate contempt charge, will take place "before October".

Over Saypol's objections, Dimock set bail for Adonis at $5,000.

Adonis and Erickson were brought from behind penitentiary bars to enter their pleas.

Adonis is serving two to three years in Trenton, N. J., on charges of operating high-stake dice games in north Jersey.

Erickson, reputed chief of a 12 million dollar-a-year bookmaking empire, is serving a two-year sentence in New York City on bookmaking charges.

Dairy Day Set Friday

WOOSTER, O., Aug. 9 (AP)—The Ohio Agricultural Experiment Station here will hold its 24th annual Ohio Dairy Day Friday. Dr. Glenn W. Salisburgh, chairman of the Department of Dairy Science at the University of Illinois, will be the chief speaker. On Aug. 16, the station will hold its 29th annual Orchard Day.

German Court Bows To U.S. Commission

BERLIN, Aug. 9 (AP)—A West Berlin German court has bowed to the U. S. high commission's wishes and set aside a civil award against Hans Kemritz, described as an agent for both East and West in 1945.

The high commission and the West German government at Bonn intend to explore the Kemritz case in a joint committee.

The Berlin award of 11,640 marks ($2,760) was given to a widow who claimed Kemritz had turned her husband in to the Russians and that her husband subsequently died.

U. S. High Commissioner John J. McCloy has said Kemritz held a double role as an agent and had done "substantial" work for the Americans. He added that Kemritz had saved a number of Germans from Russian hands.

McCloy ordered German authorities, including courts, to drop the Kemritz affair until the inquiry board goes into it.

West Virginia Plans Cow 'Clipping School'

MORGANTOWN, W. Va., Aug. 9 (AP)—A dairy cow "clipping school" will be held next Tuesday at West Virginia University's dairy farm here.

The dairy husbandry department said the program will include demonstrations and discussions of the advantages, purposes and methods of clipping cows; on the care of clippers, and on procedures in conducting demonstration meetings.

Wire-salad baskets are useful. Just put the washed salad greens in the basket and shake away any water clinging to the leaves.

Cleveland On Top; Yankees Could Tie With Them Today

Bob Feller Is Main Hero Of 2-1 Win Over St. Louis

CLEVELAND, Aug. 9 (AP)—For the first time since May 2, the Cleveland Indians led the American League today.

The lead is a slim half game, and the Tribe does not play again until the Chicago White Sox open a three-game series here Friday night.

A New York Yankee victory over Washington this afternoon would move the Bombers into a tie for the first-place spot they took from Boston July 22 and held until yesterday, when the Nats beat them 4-1 on two homers by Mickey Vernon, former Cleveland first baseman.

Bob Feller, dean of the roster, pitched the 2-1 victory over St. Louis which lifted the Tribe to the top yesterday. It was Feller's 18th against four losses as he heads for the sixth 20-games-won season of his career. He is the only major league hurler who already has won 18.

His vastly improved control is making this the best season Feller has had in the last five—or since his once-famous fireball began to cool down.

Yesterday he did not issue any walks, and he spaced seven singles so that no more than two came in any one inning. The eighth St. Louis hit was Ben Taylor's liner into the right field stands. Taylor, a first baseman who came up from the Texas League two weeks ago, grounded into a double play his next time up, and on his last trip was Feller's fifth and final strikeout.

"You pick up tips here and there on the new guys, and then have to do some experimenting, too," Feller said. "We had the wrong dope on Taylor."

At the plate, the Indians looked like anything but front-runners as they left 11 men stranded on the bases and nicked Southpaw Tommy Byrne for only five hits.

Byrne walked nine batters, giving at least one pass an inning until the seventh, when his generosity ended. He gave bases on balls to the first three men to face him, but Luke Easter fanned, Al Rosen popped and Bob Kennedy hit into a force play. In the second inning, he loaded the bases again with Jim Hegan's single and a pair of walks, and Larry Doby popped for the third out.

Doby made up for this by doubling home both Cleveland runs in the fourth on a short pop fly. Jack Maguire ran in from left field at full speed for a shoestring catch attempt. The twisting blooper bounced at Maguire's feet and rolled far behind him as Dale Mitchell and Bob Avila came home.

Mitchell was on base with a single which extended to 17 his string of games with safe hits. Avila was there on his third walk.

The triumph was the 10th for Cleveland in 13 games with St. Louis and extended the Tribe's winning streak to seven. Since the Indians started climbing out of fourth place, eight and a half games back of Chicago, on June 24, they have won 34 and lost nine.

The win was Feller's second over the last-place Browns, and he now has beaten every club in the league at least twice. He holds 3-0 marks over Detroit and Philadelphia, is 2-2 with the Yankees, and has a 4-2 record against the Boston Red Sox.

He is scheduled to pitch again Monday night here against Detroit. That will be "Bob Feller Night", and the big righthander will be honored at a ceremony sponsored jointly by club officials and the Cleveland Baseball Writers.

Porterfield Paves Way By Mowing Down Yankees

By The Associated Press

Bob Feller pitched Cleveland into the lead for the first time since May 2 when he made St. Louis his 18th victim yesterday, 2-1. Washington's Bob Porterfield opened the door by knocking his ex-New York Yankee mates out of the lead with a 4-1 triumph.

Boston was rained out of its game with Philadelphia. Chicago, the other first division club, lost ground in bowing to Detroit, 6-5, in 11 innings. The White Sox now trail Cleveland by seven full games.

Brooklyn opened up an 11½-game lead in the National, high mark for the year, by sweeping New York, 7-2 in the afternoon and 7-6 in 10 innings at night. Philadelphia sneaked closer to the Giants by shading Boston, 3-2.

Pittsburgh bombed St. Louis, 10-7, for Murray Dickson's 15th win and Cincinnati took a pair from Chicago, 7-5 and 4-3.

Feller's victory made him top winner in the majors, and extended the Indians' streak to seven straight. The Tribe has won 31 of 40 in a drive since June 30.

Larry Doby drove home both runs with a pop double in the fourth inning off Tommy Byrne, who gave only five hits but walked nine. Feller dished up a home run ball to Rookie Ben Taylor in the fourth, the first run of the game.

Porterfield had solid hitting support from Mickey Vernon, who blasted Vic Raschi for two homers, each with a man on, to account for all Washington runs. He was the first Senator to hit a home run since July 22, a 15-game streak, longest no-homer string in the majors.

The Yanks ruined Porterfield's shutout in the last of the ninth on Yogi Berra's double and Johnny Mize's single.

George Kell singled home Steve Souchock with the winning run in the 11th to beat Chicago's Saul Rogovin. Souchock had doubled to tie the score a moment earlier.

It was tied 3-3 at the end of nine. After three straight Tiger errors gave the Sox a run in the 10th, Pat Mullin homered to tie the score. Another Chicago run in the 11th was nullified by Detroit's winning rally for Reliefer Paul Trout.

Gil Hodges hit his 32nd homer, Duke Snider No. 23 and Carl Furillo No. 12 in the Dodgers' day win over the Giants' Jim Hearn. Carl Erskine, who replaced Preacher Roe after two innings when his arm failed to loosen up, won his 12th.

Billy Cox singled with the bases full in the 10th for the night verdict over Reliefer Dave Koslo. Clyde King, who replaced Don Newcombe in the ninth when the Giants scored three to tie, was the winner. Snider and Furillo also homered in this game and Bobby Thomson hit his 22nd off Newcombe.

Eddie Waitkus tripled off Willard Marshall's glove with two on and two out in the eighth for the Phils' margin over Boston. Ken Johnson, lifted for a hitter in the game-winning rally, earned his third victory with the help of Jim Konstanty. Jim Wilson was the loser.

Pittsburgh collected 14 hits, including Gus Bell's homer, to nail down Murray Dickson's 15th win over St. Louis, 10-7. Stan Musial homered for the Cards.

Cincinnati blasted Chicago pitching for 14 hits to give Ewell Blackwell his 11th triumph in the first game. Kenny Raffensberger helped Blacky out of a jam in the eighth after Gene Hermanski hit a three-run homer. Herm Wehmeier went all the way with a five-hitter in the second game, won by Cincy with a four-run blast off Frank Hiller in the fourth inning. Virgil Stallcup's homer with two on was the big blow.

Xavier To Use Frosh

CINCINNATI, Aug. 9 (AP)—Xavier University today announced it will permit freshmen to play in varsity competition this Fall.

THEY'LL CHOOSE BASEBALL COMMISSIONER. Preparing for a final report on the list of candidates for the post of baseball commissioner, the four-man screening committee chosen by club owners is shown in New York. From left to right are Phil Wrigley of the Chicago Cubs, Louis Perini of the Boston Braves, Del Webb of the New York Yankees and Ellis Ryan of the Cleveland Indians.

Poor Durocher; He Has Giant Gold And His Old Dodgers Have Pennant

BY GAYLE TALBOT

Associated Press Sports Writer

NEW YORK, Aug. 9 (AP) — There was an air of tranquility on the bench of the New York Giants. Manager Leo Durocher was saying that Willie Mays, in his considered and unbiased opinion, was as great a fielding center fielder right now, in his freshmen season, as Terry Moore was the best day he ever saw with the St. Louis Cardinals.

Leo, in other words, was on his favorite topic of the moment, and he was laying it on with a lavish hand. He said that Willie, the 20-year-old Negro phenom from down south, had made the greatest series of catches during the Giants' recent western trip that he ever had seen, and he predicted that Willie would get even better.

He had just finished describing a bare-handed catch that Willie made of a screaming liner out in Pittsburgh off Rocky Nelson, when one of his listeners remarked conversationally that he had read in the papers where Durocher picked Brooklyn to win the National League flag, with the Giants finishing second and St. Louis third.

The dandy little manager jumped as though he had been prodded by a hornet. The atmosphere of the Giants' dugout altered appreciably. One might even say it became blue.

"Who said I said any such (deleted) thing as that?" yelled Durocher. "I never said such a (deleted) thing as that to anybody. Nobody ever asked me. Who says I said it?" He was on his way toward working himself into a fine state.

None of those present would admit having authored the offending item, nor to even being a friend of the culprit, but Leo was unmollified.

"Well, it's a hell of a thing," he fumed, "saying I said something I never said. What else did this story say?"

Well, another man on the bench ventured, it also said that Eddie Sawyer of the Phillies was the only National League manager who declined to predict the order of finish at this stage.

"What?" Leo yelped. "Sawyer refused to pick 'em? Why that guy was picking Brooklyn to win back there in May, right after the season started. That's really rich, that is.

"Me, I never did pick those guys to win it and I never will. Sure, they've got themselves a nice little lead, haven't they? They're supposed to be hot stuff. But I've seen too many things happen in this game to think that they've got any cinch.

"I might have said this, that they've a good club and the one we'll have to beat to win the pennant. That's just stating a fact. It isn't saying I pick 'em to win, is it?"

The meeting broke up with one and all assuring Leo that they didn't believe he had picked the Dodgers to win. The said that, in fact, they didn't feel he had ever entertained such a thought, and it seemed to make him feel better. He was left with only a slightly haunted look on his sun-kissed features.

The scrappy little brain who used to pilot the Brooks knows, of course as well as you and I, that Charlie Dressen's muscular heroes are going to be practically out of sight by mid-September. They are much too good for the rest of the league.

What makes Leo touchy on the subject, say those close to the situation, is that he knows he still could be managing Brooklyn today if he hadn't listened to the monied blandishments of the Giants.

He, Durocher, could be piloting this great collection of athletes now performing at Ebbets Field and taking those bows instead of his old lieutenant, Dresser. It must be galling, at that.

Harness Stars Try Again Today On Goshen Track

GOSHEN, N.Y., Aug. 9 (AP) — The pick of the nation's 3-year-old trotters brought their battle for the riches and glory that go with winning the Hambletonian to Good Time Park's triangular racing strip today.

The 26th buggy whip derby, trotting's counterpart of the Kentucky Derby, was postponed from yesterday when heavy rains made the track too hazardous.

But by mid-afternoon the sun had broken through the clouds and joined with man-made machines in whipping the clay track into condition.

If there is no more rain, promoter Bill Cane expects the strip to be fast by the time Starter Steve Phillips gives the 21 horses the word "go" for the first of the best of three mile heats at 3 p.m.

Veterans of the sport believe the horse most likely to succeed and take down the major share of the $95,264 purse will come from the Fair Acres Stable. That means the winner will be either Spennib or Mighty Fine. The entry was quoted at 7 to 2 in pre-race betting circles.

Dickey Hurls 2-Hitter As Golden Star Wins

Jim Dickey pitched a two-hitter Wednesday as his Golden Star teammates blasted Burbick's Hardware, 17-2, in a Kiwanis "B" League contest at Patterson Field.

The Dairymen collected only six hits, but combined with errors they accounted for all the runs.

A double by Fey and a single by Gulutz were the only hits Dickey allowed.

Haddox with a double and single and Brown with two one-base hits paced Golden Star.

Golden Star	024	385	3—17
Burbick's	110	000	0— 2

Dickey and Hadley; Mason, Evans and Galutz.

Golf Pros To Battle In Kentucky Next Year

Louisville, Ky., Aug. 9 (UP) — The 1952 Professional Golfers Association championship will be played in Louisville June 18-24, according to an announcement today by the executive committee of the association.

The tournament, with Sam Snead as the defending champion, will be held at the Big Springs Country Club.

Series May End Today

Higgs Blasts Tony's In Softball Playoff, 12-2

In sharp contrast to Tuesday night's 11-inning scoreless tie, Higgs Inn blasted Tony's Cafe, 12-2, Wednesday night to win the first game of their three-game series for the championship of the Y-City Softball League.

The series will end tonight if Higgs can record another victory. If not, the deciding game will be played Friday at the Y-Vodrey Field.

A seven-run outburst in the fourth inning wrapped up last night's game for Higgs, which collected 12 hits off Carter.

Tony's tagged Koczwara for 10 safeties, but could score only single runs in the sixth and seventh.

A base on balls to Bailey and Koczwara's two-bagger accounted for the winners' first tally in the first inning.

They added three in the third on singles by Bailey and Siciliano followed by doubles by Mancuso and Carter with two out.

In the fourth, an error, a walk, a single by Bailey, another miscue, Zettello's safety, Mancuso's two-base wallop and a home run by Carter accounted for the seven markers.

The last run crossed the plate in the fifth on bingles by Siciliano and Zettello and an error.

Sprouse's circuit clout in the sixth produced Tony's first score. In the seventh, a single by Lioi and two walks netted the final run.

Carter with a home run and double and Mancuso with a pair of two-baggers were the big guns for the winners while Parsons, Sirriani and Lioi connected for two singles apiece for Tony's.

Unbeaten Legion Teams Due To Collide Today

COLUMBUS, Aug. 9 (AP) — Cincinnati and Steubenville—only two unbeaten teams in the American Legion junior baseball tournament—were scheduled to oppose each other today.

Steubenville trounced Minford yesterday 16-9 in the third round of play in the double elimination event at Ohio State University. Cincinnati whipped Conneaut 5-1.

Also scheduled to meet today are St. Henry and Columbus, and Cleveland and Conneaut. Minford drew a bye. The two winners of the morning games were sheduled to meet this afternoon.

Miami, State, Cincy Get Pick Of All-Stars

MIDDLETOWN, Aug. 9 (AP)—Three of Ohio's top colleges are grabbing off the cream of the Buckeye state's finest 50 football prospects, who will take part in the sixth annual North-South all-star game here Saturday night.

Nine players have their sights set on higher education at Ohio State, nine others have picked Miami University of Oxford, and nine more are all set to enroll—or already have been in classes—at the University of Cincinnati.

It's a slight change from a year ago, when Miami had lined up the bulk of the high school stars of the previous Fall—and maybe the switch of the Redskins's Woody Hayes from Oxford to Columbus or the earlier transfer of Sid Gillman from Miami to Cincinnati, has had something to do with it.

Ticketed for future football at O.S.U., however, are some of the key players for the annual classic—five from the North squad and four from the South. They are Don Squartz, Newark's 235-pound tackle; Dave Leggett, New Philadelphia quarterback; Ken Feinthal, back from Middletown; Carroll Howell, another ace runner from Portsmouth; Johnny Borton, Alliance passing and running whiz; Bob Wallace, Akron North back; Richard (Bud) Bonfiglio, also a ball carrier from Lima Central, and Linemen Rollo Sidell of Oak Harbor and Bob Harris of Barberton.

Miami's "bag" of the high school prospects embraces the North's Russ Masturzo, a 224-pound tackle from Akron St. Vincent, and Dick Hunter, Barberton runner, and these South standouts: Moody Baker, Hamilton end; Stanton Jones, Columbus Grandview tackle; Claude Neeley, Hamilton Scatback; Eddie Merchant, Middletown halfback; Nick Parkis of Athens, another ball back; Jim Kennedy of Zanesville, passing wizard, and Jay Ansel, an end, also of Zanesville.

Cincinnati has pulled several prize plums out of the all-star pie, not the least of which is Bob Howe, Massillon's 205-pound pulverizer, along with such terrific "names" as Jack Snyder, Youngstown South guard; Henry Garn, Toledo Scott back; John Masdea, Columbus Aquinas end; Cecil Harville, a 215-pound tackle from Franklin; Terry Boyle, guard from Cincinnati Elder; Glenn Dillhoff, Dayton Chaminade guard; Tom Simmons, Hamilton center, and Anestis Condordis, 199-pound lineman from Cincinnati Western Hills.

Notre Dame will draw three players, all of whom already have been in Summer classes at South Bend. They are Ralph Guglielmi, quarterback from Columbus Grandview; Dick Szymanski, 211-pound Libbey center, and Don Bucci, Youngstown East ball carrier.

Here are the choices of the other players on the squad—as of today:

Naval Academy—Ron Beagle, Cincinnati end, and John Martinko, Campbell Memorial guard, both expecting to enter prep schools this Fall.

Syracuse—Mike Skope, center, and Ray Perkins, back, both of Lakewood.

Ohio U—Merle Hummell Jr., Findlay tackle.

Colgate—Bob Blatchford, Lorain center.

Case Tech—Fred Walther, Dayton Fairmont guard.

Vanderbilt—Erwin Single, Cincinnati Western Hills center.

John Carroll—Ed Alemagno, tackle from Cleveland Shaw.

Undecided or "fair game" for college coaches who have been watching North-South drills here closely — Bob Bronston, Springfield's 182-pound fullback; Gus Kerlazes, Springfield guard; Bill Angel, 224-pound center from Middletown; Ronald Wildes, terrific little guard from Canton McKinley; George Arnold, Toledo Scott end; Jim Johnson, Copley end; Ron Bonfiglio, Lima Central guard; Dan Kramer, Cleveland Shaw back, and Russell Oates, Youngstown East end.

Rayz Quits As Teacher To Take Sales Position

John Rayz, assistant basketball coach here for the last two years, has resigned from the East Liverpool High School faculty to accept a sales position with Pearce Motors.

Submitted to Superintendent W. G. Fordyce on Monday, the resignation will be considered by the Board of Education at its meeting Monday.

He is the second athletic coach to resign. The board still is seeking a successor to Don Mohr, who resigned as an assistant football coach several weeks ago to take a head coaching job at Maple Heights High School.

A General Science and Mathematics teacher, Rayz joined the faculty in 1946 following his graduation from Geneva College.

He was freshman basketball coach for two years and then was named reserve coach when Merrill Hall was appointed varsity cage coach following Don Ogden's resignation.

A native of Beaver Falls, he is married and the father of two sons. He resides at 1831 Anderson Blvd.

JOHN RAYZ

From teaching to selling.

Elks Nip Vets In Playoff, 7-6

The Elks shoved across a run in the sixth inning to break a 6-6 deadlock and nip the V. F. W., 7-6, Wednesday night in the opening best-of-three series in the Wellsville Junior League playoff.

The series will be resumed tonight at the 20th St. Field.

Both teams scored two runs in the first. The Elks got four in the top of the third while the Vets registered once. But the Vets came up with three counters in the fourth to tie the score.

Jack Call started for the Elks, but Bob Mundy was called in the fourth to halt the rally.

Mundy also starred at the plate with three singles while "Beanie" Jackson connected for two doubles and a single. LeRoy McBane socked two of the Vets' six safeties.

Pack 31 Keeps Slate Clean In Cub League

Pack 31, undefeated in the Cub Scout Softball League, had its narrowest squeak of the season Wednesday night in a tussle with Pack 54 which ended, 3-2, after nine innings.

The game was deadlocked, 1-1, at the end of the regulation seven innings. Neither team scored in the eighth, but Pack 54 shoved across a run in the top of the ninth to step ahead, 2-1.

Pack 7's first hitter in the ninth, Keith Harrison, smashed a home run to right field to tie it up. Denny Paulson followed with a single, and Bobby Beatty pounded a triple into center field to send him home with the winning run.

Paulson, Pack 7's pitcher, racked up 22 strikeouts in the duel.

Pros Go After $12,500 Pot At Tam Today

CHICAGO, Aug. 9 (AP)—Ben Hogan and 63 other of this planet's best pros today charged after golf's biggest purse—$12,500—in an all-business atmosphere that has replaced the usual carnival-like air that once freshened Tam O'Shanter.

Promoter George S. May calls the 72-hole meet the "world championship of golf".

In all, May has put up a total $56,000. The women, featuring such pros as Babe Zaharias, Patty Berg, Louise Suggs and Alice and Marlene Bauer, will be shooting for a $2,100 first award.

Ten men amateurs, led by Frank Stranahan, will be playing along with the pros for the "world" crown.

May already is looking ahead to 1952 as his biggest golf year. He is ready to offer a contract to the P.G.A. for a $100,000 meet next year—$25,000 for his all-American tournament section, and $75,000 for the following "world" affair.

The "world" winner would receive $17,500, but second place would drop down to $7,500. The P.G.A. is expected to frown on such a gap, and a compromise may be forthcoming. The organization, however, certainly will lift its collective eyebrows over the $100,000 pot.

Ironton Coach Quits

IRONTON, O., Aug. 9 (AP)—Paul Hogan, 35, Ironton High School basketball and baseball coach, resigned yesterday to take a job with the Ashland Oil & Refining Co. of Ashland, Ky. He had been basketball coach since 1949 and baseball coach since 1946.

AP

FACES DISMISSAL. Harold J. Loehlein, captain-elect of Army's 1951 football team, said he is one of the 90 West Point cadets faced with dismissal for cheating in exams. Loehlein, who comes from Kimball, Minn., is president-elect of the Senior Class.

O-I League To Stop 8 Days Ahead Of Time

COLUMBUS, O., Aug. 9 (AP) — The Class D Ohio-Indiana League said yesterday it's shutting up shop eight days short of its scheduled finishing date.

The four-club loop will end its season Sept. 1 instead of Sept. 9.

But the regulation number of games will be played, said President Frank Colley. It will mean several doubleheaders.

He said the post-season series for the league championship will be launched Sept. 2.

Negley, Salem Score Easy League Victories

A seventh-inning rally by the Riverview Florists netted two runs, but it wasn't enough to halt Lisbon as the county seat nine registered a 6-4 triumph in County League play.

The Salem Merchants blasted New Springfield, 13-3, and Negley halted New Waterford, 7-1.

The Lisbon and Negley triumphs left the two clubs in a tie for first place while the losses kept the Florists and Waterford in a deadlock for fourth.

The league will end its regular season, except for postponed games, Sunday, and a special playoff apparently will be necessary before the playoffs can start.

County League

Yesterday's Results

Lisbon 6, Riverview Florists 4.
Salem Merchants 13, New Springfield 3.
Negley 7, New Waterford 1.

Sunday

Riverview Florists at Salem Merchants.
Lisbon at New Waterford.
Springfield at Negley.

A two-run splurge in the fourth frame at Patterson Field was the deciding margin in the Florists' setback.

The game was marked by eight extra-base hits, including a home run by Ken Apple in the third with none on.

Vern Jones and Tom Woods with two hits apiece led Riverview while Apple, Gabriel, Bridges and Bowers socked two each for Lisbon.

Negley clinched its win over New Waterford in the third when it tallied five runs.

L. Noel socked two doubles and a single while Bush clouted a homer and single for Negley.

Evans scattered five Waterford safeties, all singles.

A six-run outburst in the second inning, featured by consecutive home runs by Bob Coy and Bob Theiss, was enough to give Salem its easy victory.

Coy's blast came with two mates on base while Theiss' was a solo hit.

How About This? Board Gets Protest On Own Decision

Where do we go from here?

The County League's arbitration board has received a protest from the Negley team.

There's nothing unusual about most protests, but this one must set some sort of a precedent.

Negley has filed its protest with the board over the board's ruling!

Several weeks ago the board upheld the Riverview Florists protest of a balk ruling in a 12-inning 2-1 loss to Negley.

The decision took a victory away from Negley and subtracted a loss from the Florists.

The only apparent reason for the new protest is that Negley now is desperate for the additional win so it can clinch first place in the league, which ends its regular season Sunday. It now is tied for the lead with Lisbon.

But the Florists are expected to argue just as much if the board reverses its previous decision.

Another loss probably would eliminate them from a chance for a playoff spot. The Florists now are tied with New Waterford for fourth.

To top it all, one member of the board is in favor of Negley's protest while another says he won't change his previous ruling. The third man is on vacation.

Desperado Shot Down In Gun Duel With F.B.I.

IDER, Ala., Aug. 9 (AP) — Billy Davis, a 23-year-old desperado who vowed he never would be taken alive, was blasted to death last night with a flaming pistol in his hand.

F.B.I. agents, who had tracked the Tennessee prison parolee for nearly a month, surprised him at a farm home and shot him to death as he grappled with a sheriff's deputy.

Behind Davis lay four last violent days of reckless flight.

He had dodged and fought his way through Alabama, Georgia and Tennessee to a farm near this remote northeast Alabama community.

Davis had been hunted since July 11, when he shot his way past a police roadblock near Birmingham, Ala., after being allegedly involved in a jewelry store robbery. Last week end he broke through police gunfire at Columbus, Ga.

Duff Demands Hanging For American Traitors

PITTSBURGH, Aug. 9 (AP) — Senator Duff (R) of Pennsylvania, said today that traitors in this country who plot with Russia to destroy the United States should be hanged.

In a speech at the American Legion's Pennsylvania state convention, Duff also declared Russia has proposed "a fake cease-fire" in Korea and this week offered a "fake peace proposal".

The former Pennsylvania governor said it would be a "fatal mistake" for America to let up in its defense mobilization because of these Communist moves.

"We will never get anywhere with a bunch of fakers and crooks like the men in the Kremlin by anything except rough tactics."

Raft Shoves Off Again After Two-Week Delay

MOUNDSVILLE, W. Va., Aug. 9 (Special)—Four young adventurers—two bachelors and two unmarried girls—are floating down the Ohio River again today in what they call an experiment in sociology.

They shoved off on their raft Lethargia yesterday, hoping to hitch rides all the way to New Orleans. The voyage was interrupted two weeks ago when the raft turned over near here and the four had to swim for their lives.

Fire Chief Burned Out

NORRISTOWN, Pa. (UP)—John W. Brennan, fire chief, has a red face to go with his firemen's hat. Brennan had to call on his own company to help put out a fire which started in a mattress in his room.

AP

COACH WITHOUT A TEAM. Norman (Red) Strader smiles broadly in New York despite his announcement that he has been fired as football coach of the New York Yanks, a member of the National Professional Football League. Strader, former player and coach at St. Mary's College (California), has directed the Yanks since 1946.

Walcott To Collect Cash On Brief Tour

CAMDEN, N. J. Aug. 9 (AP) — Jersey Joe Walcott, who finally won the world's heavyweight boxing title after four luckless tries, is going to cash in on the pot of gold that the crown brings.

Next week the 37-year-old champ starts an exhibition tour that will cover eight cities. Then he'll turn referee one night, and, maybe—if there's enough in it (Jersey Joe wants $30,000)—Walcott will team up with Television Comedian Milton Berle for a week in a Chicago theater.

Moves To Wellston

TIFFIN, O., Aug. 9 (AP)—To take a job as football coach at Wellston (Jackson County) High School, Ben Wilson resigned yesterday from the athletic staff at Heidelberg College. He was an assistant football coach there and also coached track.

Next time you serve fried or broiled fillets, make a beet relish to go with them.

Jim Hegan's Little Friend Dies With Ball Team Gave Him

CLEVELAND, Aug. 9 (AP)—That shiny new baseball, autographed by Cleveland Indian players, will be something George Fleisher Sr and his wife Grace can keep for a long time.

Fleisher, who has a milk delivery route in Warren, O., for several years had given happy encouragement to young George Jr., 7, in the boy's eager worship of the Cleveland team—especially Catcher Jim Hegan.

He bought the boy a baseball and there was hopeful talk of a visit to the team's dugout some day.

Three and a half months ago the boy became ill. At Children's Hospital here, the diagnosis was acute leukemia. For a time little George was back in Warren, to be near his parents and his 4-year-old sister, Donna. Then he was returned to the hospital here.

Late Tuesday, the doctors said there was not much time. The father appealed to the baseball club. Could Jim Hegan come to the hospital?

Hegan had to play that night, but he reached the boy's bedside after the game, along with Outfielder Bob Kennedy. The catcher talked a little about the game. He gave George the autographed baseball.

Before he went to sleep that night, his eyes kept turning to the baseball.

Yesterday, as young George's condition became steadily worse, his attention still turned to the shiny new ball.

The boy's life ebbed away into death yesterday afternoon just about the time his hero put on the shin guards, the chest protector and the mask for another game of baseball.

Coach Shifts

UPPER SANDUSKY, O., Aug. 9 (AP)—Harold Penwolde, football coach at Upper Sandusky High School for six years, said today he has signed a contract to be assistant coach at Bexley High School. Bexley is a suburb of Columbus.

The U.S. ROYAL Show
New things about TIRES to See and Know!

You will make unforgettable discoveries at the big U. S. Royal Tire Show.

You will see all the new and sensational U. S. Royal tire and tube advancements—improvements not known or possible before, changing all standards of tire life and safety!

You'll see the New Tread Depth of much greater Mileage Capacity—the new Safety-Tread Treatment for entirely new stopping power and skid protection.

And for the first time you'll see "Total Tread Depth" Safety—fully renewable at each level of wear, without recapping or anything of the sort.

Many Other Things You'll See and Know

And you'll see and know the New Protected Sidewalls—their strength and beauty shielded and guarded from curb scuff and abrasion.

You'll see the great New Nylon Life-tubes, the new Royal inner-tubes strong as tires, preventing blowouts from happening.

UNITED STATES RUBBER COMPANY

PLEASANT DISCOVERY!

. . . many folks who come to the Royal Show want to buy before they go. It's always a pleasant discovery for them to find their U. S. Royal Dealer gives generous cash allowance for their old tires and tubes—

This is not only a tire show—to see and know—but it's also your opportunity to make YOUR ONE TIRE INVESTMENT FOR YEARS TO COME!

Flood Control Saving Placed At 17 Million

PITTSBURGH, Aug 9 (AP) — Flood control reservoirs are credited with saving the Ohio Valley $17 774 800 in high water destruction during the fiscal year ended June 30, according to an Army engineer.

Colonel Conrad P Hardy acting Ohio River division Army engineer, said the damage prevented by the reservoirs represents a 4 4 per cent return on the investment in the flood control projects

Flood Control Funds Urged

Truman Also Battles Cut By House Group

WASHINGTON, Aug 9 (AP)—President Truman has asked the Senate to vote a special $21,800,000 fund for flood control works in the Midwest.

He also asked that it overturn House action which cut regular flood control appropriations by 20 per cent

In a letter yesterday to Chairman McKellar (D) of Tennessee of the Senate appropriations committee, Truman said the House cut was 'false economy'.

He asked the special $21 800 000 appropriation to provide for work

1 —On the Tuttle Creek and Toronto dams in Kansas.

2 —On the Oolagah dam in Oklahoma

3 —On local flood protection work at Hutchinson and Wichita, Kan.

4 —On bank stabilization work on the Arkansas River.

5 —For levee work on the Mississippi River between Wood River, Ill, and East Cape Girardeau, Ill

It was Truman's second public statement this week on floods. Monday, he said the Midwest must elect more "forward-looking, liberal-minded members to Congress" to assure creation of a Missouri Valley Authority to control floods

In yesterday's letter to McKellar, the President said "The recent flood disaster in Kansas, Oklahoma Missouri and Illinois has shown the immense damage that can result from a single flood situation"

Treasury-Post Office Bill Sent To Senate

WASHINGTON, Aug. 9 (P)—The House passed and sent to the Senate yesterday a compromise $2,927,000,000 Treasury-Post Office Department appropriation bill for the fiscal year ending next June 30.

The compromise retains Senate language reducing by an estimated 25 per cent the funds sought for public information employees on the payrolls of the two agencies.

CLOROX does MORE than give you extra-gentle bleaching!

① AN extra-gentle BLEACH
From coast to coast, Clorox is first with America's housewives. It is extra-gentle, conserves costly linens. Here's the scientific reason: Clorox is free from caustic and other harsh substances ... made by a patented formula exclusive with Clorox!

② A dependable STAIN REMOVER
Another valuable benefit you get from Clorox is its stain removing action. Clorox removes numerous stains from white and color-fast cottons and linens, from kitchen and bathroom surfaces!

③ AN effective DEODORIZER
You say good bye to musty linens when you launder with Clorox, for Clorox deodorizes ... leaves linens fresh smelling. Clorox deodorizes in kitchen and bathroom cleaning, too!

④ In addition CLOROX is one of the world's great DISINFECTANTS
There's added health protection for your family in every bottle of Clorox you buy. For Clorox is the most efficient germ killer of its kind ... when used in laundering or in routine cleaning. And Clorox costs so little ... protects so much. See directions on the label.

You get all 4 in 1 with CLOROX America's Favorite
Clorox Bleaches | Removes Stains | Deodorizes and DISINFECTS
CLOROX-CLEAN means ADDED HEALTH PROTECTION!

HISTORY REPEATS — Sal Caldwell of Philadelphia models a hair style [illegible] by Lizie in a Paris show. The coiffure theme is the Directoire period at the close of the 18th century.

Warships Welcomed Despite Bad Weather

NEWPORT, R. I., Aug. 9 (P)—Rain, wind and heavy seas yesterday greeted four Atlantic fleet destroyers returning from the Korean fighting but failed to mar a tumultuous welcome.

Aboard were 1,100 men, veterans of the Far East action.

Rough winds slammed the J. P. Kennedy Jr., division flagship, against the destroyer tender Yosemite's side causing minor damage.

Five men were stricken with polio aboard the destroyer Fiske during the return voyage. The Fiske, along with the Kennedy, Hawkins and [illegible] were quarantined at Gibraltar after the polio outbreak.

Navy tugs tooted a welcome as the destroyers steamed into their home port after a seven-month, 60,000-mile cruise.

The destroyers took part in shore bombardments, helped friendly troops escape, rescued downed pilots and destroyed floating mines.

Philadelphia Officer Walks Into A Trap

PHILADELPHIA, Aug. 9 (P)—A very much excited woman stopped Patrolman Oliver Norris yesterday.

He listened to her story, then switched on the radio in his police cruiser. "Take me off the air. I gotta catch a mouse," he reported. "Off the air" in police radio language means the officer is on an assignment.

Patrolman Norris walked into the house where the lady said a trap had snapped.

Five minutes later the desk sergeant at police headquarters got his radioed report from Norris:

"Put me back on the air. Everything's O.K. Mouse is slaughtered."

RIDGWAY, JOY CONFER—General Matthew Ridgway (right) confers in Tokyo with Vice Admiral C. Turner Joy in the Dai Ichi building on Joy's return from a truce session in Kaesong.

Truman Assures Of Unification, Korean Aid Says

WASHINGTON, Aug. 9 (AP)—Dr. You Chan Yang, Korean ambassador, said President Truman has assured him yesterday that unification of Korea is the ultimate aim of the United States and the United Nations.

The ambassador left a White House conference to tell reporters he had used his interview with the President to clear up any possible misunderstandings as to Allied aim.

"That is the aim of the United States as well as the United Nations," he said, referring to unification of Korea.

It has been conceded that unification is not a part of the cease-fire negotiations now under way and that it involves political rather than military discussions.

But he was unable to say when he thought pressure for this ultimate goal would be undertaken.

He said the goal is for a central government for Korea selected in a free and democratic way.

He was [illegible] if his government in South Korea would accept as a temporary [illegible] the line near the [illegible]. [illegible] upon the military [illegible].

He said he [illegible] believes it would, but that he would have to consult with his government on [illegible].

Call-up Of Officers Halted By Air Force

WASHINGTON, Aug. 9 (AP)—The Air Force, finding itself top heavy with officers, is temporarily halting call-ups of officers from most of its volunteer reserves.

The Air Force said procurement of officers in recent months outpaced enlistments. Officials could not say how long the suspension will last.

Dies Of Auto Injuries

YOUNGSTOWN, Aug. 9 (AP)—Mahoning county's 28th traffic death of the year was recorded yesterday. [illegible] B[illegible], 41, died of injuries received when his car skidded on Route 18 west of here. The [illegible] this time a year ago was 2[illegible].

A Hard-to-Beat Value in Meat!

Cooked Hams

They're easy to buy and ready to eat, these tender cooked hams are big helps to small budgets and busy housewives.

Whole or Shank Half lb **63¢**

Customers' Corner

Have you noticed that chickens generally are plumper, meatier than they were a few years ago?

The principal reason for this is the "Chicken of Tomorrow" breeding program, sponsored by A&P with the cooperation of the poultry industry.

This six year program has resulted in chickens that mature when they are younger and more tender, and have more meat in relation to bone.

Why don't you try the superior chickens at your A&P and let us know what you think of them? Please write

Price Predictions On Clothing Cut

NEW YORK, Aug. 9 (AP) — Many a clothing manufacturer expects to see higher retail prices come Fall—but not quite so high as he predicted last Spring.

Generally speaking, the apparel makers figure retail prices will be 7 to 10 per cent higher than they were in the Fall of 1950. That's a lesser boost than they anticipated.

That, in a nutshell, is the story of Fall apparel prices after all the smoke has cleared away from price discussions.

Talking in terms of a man's worsted suit in the $50 to $60 range, one leading manufacturer said today he expects the retail price tag will go up $5, a hefty backdown from his estimate of $7.50 to $10.

Coal By Pipeline Figured At Third Of Railroad Cost

WASHINGTON, Aug. 9 (UP) — Coal could be carried by water through pipelines for 100 miles for as little as 38 cents a ton, the Bureau of Mines estimated today.

That would be from a third to a sixth of the cost of carrying coal the same distance by rail.

The bureau said the cost of building large-scale pielines—to shove coal along under water pressure—would run into millions of dollars. But once in operation, they could carry coal cheaper than railraods for certain distances, the report said.

For instance, the bureau said, it would cost about 10 million dollars to build a 100-mile pipeline capable of carrying 5,000 tons a day. Once in operation, however, it could move coal for $1.28 to $1.91 a ton.

A 100-mile pipeline, capable of moving 36,000 tons a day, could do it even cheaper—between 38 and 95 cents a ton, the bureau said.

The cost of transporting a ton of coal 100 miles by rail ranges from $1.25 to $2.50. For longer hauls, however, the rate is less.

The idea of floating coal to market through pipelines has intrigued the coal industry for 50 years.

Radio Artists To Bar Proven Communists

NEW YORK, Aug. 9 (AP) — The American Federation of Radio Artists (A.F.L.), representing some 10,000 members across the country, yesterday announced the adoption of a constitutional amendment barring proven Communists from membership in the union.

A statement issued by A. Frank Reel, national executive secretary of the union, said 2,118 members had voted in favor of the amendment and 457 against it.

He quoted the measure as saying in part:

"No persons shall remain a member of A.F.R.A. or retain employment in A.F.R.A. who has been proven to have membership in or to have joined the Communist party since Dec. 31, 1945."

An official spokesman explained the 2,575 total vote by declaring that many of the 10,000 union members are associate members who cannot vote. Others he said, did not vote on the amendment or registered their ballots after the deadline, July 28.

'Frozen Woman' To Get Two Artificial Legs

CHICAGO, Aug. 9 (AP) — Mrs. Dorothy Mae Stevens, last winter's "frozen woman", left Michael Reese Hospital yesterday for the Chicago Welfare Department convalescent home on Chicago's South Side.

The 23-year-old Negro woman will be furnished with artificial legs at the home, and counseled in rehabilitation and vocational training. Both her legs were amputated below the knee and the fingers of her right hand and several fingers on her left hand were removed.

Mrs. Stevens was found lying frozen stiff in a South Side areaway Feb. 8. The outside temperature was 11 below zero. Her body temperature was recorded at 64 degrees, about 34 degrees below normal.

Doctors said it probably was the first case in medical history in which a person with such a low temperature survived. Her temperature soon approached normal, but later a toxic condition developed due to freeze damage to muscle tissue and the amputations were performed.

Jail Beating Probed

YOUNGSTOWN, Aug. 9 (AP) —Coroner David A. Belinky is investigating the death of a Fostoria man from a fractured skull a day after a scuffle with police who arrested him on an intoxication charge. Patrolmen Frank Burnich and Walter Cegan and Turnkey Ralph Balestra said the man, Jean Bontempt, 33, attacked them at city jail. That was Tuesday morning and it was not until Bontempt lost consciousness Tuesday night that he was taken to Southside Hospital, where he died yesterday.

NOTICE TO CONTRACTORS

BIDS FOR A SCHOOL BUILDING YELLOW CREEK RURAL SCHOOL DISTRICT, COLUMBIANA COUNTY, OHIO.

Sealed proposals for the construction of a School Building will be received by the Yellow Creek Rural School district near Wellsville, Ohio by the Clerk of the Board of Education at the Office of the Board of Education at School No. 16 until 7:30 P. M., eastern standard time, on Tuesday the 4th day of September, 1951, and said bids will be publicly opened and read at the Office of the Board of Education at School No. 16 at 7:30 P. M. on the same day. The proposed work consists of performing all labor, and furnishing all necessary materials, tools, appliances, etc., for the erection of a fireproof School Building located on Route 39 near Highlandtown, Yellow Creek Rural School District, Columbiana County, Ohio, in accordance with plans and specifications prepared by H. Alan Tedd, Registered Architect and J. M. Pinney, Designer, Associates, 402 Blackmore St., East Liverpool, Ohio, for said Board of Education.

Copies of plans, specifications and contract documents are on file in the office of the Architect where they are available for inspection by prospective bidders. Contractors who desire a set of plans and specifications will be required to make a deposit of $20.00 for the faithful return of the same to the Architect on or before 30 days after the date of receipt of bids, at which time a return of $20.00 will be made. All proposals shall be signed and submitted on blanks which may be obtained from the Architect.

Proposals must contain the name of every person interested therein and shall be accompanied by either a proposal bond, with surety satisfactory to the Board of Education or by a certified check on a solvent bank in the amount of not less than 10 of the base bid plus the highest alternate bid, drawn in favor of the Board of Education. Proposal bonds shall be accompanied by proof of authority of the official or agent signing the bond, together with a recent financial statement of the surety company.

The proposal bond or certified check submitted with a bid will be held as a guarantee that if the proposal be accepted, a contract will be entered into. Proposal bonds and certified checks will be returned to all bidders after the contract has been entered into and secured by a performance bond of 100% of the amount of the contract, with a satisfactory surety, for the faithful performance of the work.

No bidder may withdraw his bid for a period of 30 days after receipt of bid. Particular attention is called to the statutory requirements of the State of Ohio relative to licensing of corporations organized under the laws of any other state.

The right is reserved by the Board of Education to reject any or all bids and to waive all formalities in connection therewith.

By Order of the Board of Education
Yellow Creek Rural School District
Ben Hapsley, Clerk.
E. L. Review Aug. 2, 9, 16, 23, 1951.

LEGAL NOTICE

Gertrude Ehrhart Paden, Virginia Ehrhart Spence and Donald Ehrhart, whose present place of residence is Sugar Creek, Franklin, Pennsylvania, and Burton Ehrhart, whose present place of residence is % Endy Bros. Carnival, 2139 Patterson Street, Cincinnati 22, Ohio, and Alton Ehrhart, whose present place of residence is unknown, will take notice that on the 10th day of July, 1951, the Plaintiff, Elsie Ehrhart, filed her petition against them in the Court of Common Pleas, Columbiana County, Ohio, the same being cause No. 36737 in said court for the partition of an undivided one-half interest of certain real estate in said petition described, to-wit:

Situated in the City of East Liverpool, County of Columbiana and State of Ohio, and known as and being lot numbers 6195 and 6196 as said lots are numbered and distinguished on the recorded plat of the Supplee Land Company's Addition to said city, said one-half interest in said premises being in the name of Clarence A. Ehrhart, who died intestate and seized thereof.

The prayer of said petition is for partition of said real estate and for other equitable relief.

Said defendants are required to answer said petition on the 15th day of September, 1951, or judgment will be taken against them.

ELSIE EHRHART, Plaintiff
By CLARK, STEEL & CLARK, her attorneys.
E. L. Review: August 2, 9, 16, 23, 30; Sept. 6, 1951.

LEGAL NOTICE

The Board of Education of the East Liverpool City School District, East Liverpool, Ohio, will accept bids to furnish coal to the various school buildings for the 1951-1952 school term until 12:00 Noon E.D.S.T., Monday, August 13, 1951.

Bids are desired and will be let separately on: (1) Stoker coal for the High School Building and Memorial Auditorium; and (2) lump coal for the elementary school buildings and Central School Building according to specifications on file in the Board of Education office. Specifications and approximate requirements for the various school buildings may be obtained from the Clerk of the Board of Education.

The Board of Education reserves the right to reject any or all bids and to waive any informalities in bidding.

Depreciation And Mileage

Play tricks with each other. A car may depreciate one-fourth of its dollar value in the first year, while only one-tenth of its useful life in mileage is being used up. That is why the late model used car buyer gains so much. He can get up to nine-tenths of a car's usefulness for only three-fourths of its original cost.

SEE OUR LATE MODELS TODAY

18 Months to Pay

Here's a Beauty

1949 Dodge

Meadowbrook 4 door sedan. Beautiful light green, original finish. Here is a one owner car that has had the best of care. Let us demonstrate.

Nothing Can Be Done About It

By Webster

HERE'S ONE THAT WILL TICKLE YOU. MARK TWAIN TRIED TO BORROW A BOOK FROM A BANKER WHO LIVED NEXT DOOR TO HIM
"YOU'LL HAVE TO READ IT HERE," SAID THE NEIGHBOR "I MAKE IT A RULE NEVER TO LET ANY BOOK GO OUT OF MY LIBRARY"
THE NEXT NIGHT THE BANKER ASKED FOR THE USE OF TWAIN'S LAWN-MOWER. "CERTAINLY," SAID TWAIN "BUT YOU'LL HAVE TO USE IT ON MY LAWN. I MAKE THE SAME RULES YOU DO"
BUT THE BANKER WANTED IT TO CUT HIS OWN GRASS DIDN'T HE? IT ALL SOUNDS SILLY TO ME

In New York And Washington

Many Picture Eisenhower As A Willing Candidate

By J. M. ROBERTS JR.
Associated Press Staff Writer

NEW YORK, Aug. 9—There seems to be an increasing number of spots in New York and Washington where you can get odds that General Dwight D. Eisenhower is a willing, if passive, candidate for the Republican presidential nomination next year.

President Truman has made it plain that Eisenhower is under no obligation not to run.

Some competent observers think that Senator Taft's concentration and belief in the strength of the Middle West has left the way clear in the East for Eisenhower's popularity and the Dewey-supported Eisenhower campaign there.

Some of these observers also think that if Eisenhower finally is deterred by his European job and his disinclination for political conflict, Dewey will be prepared to offer an eastern substitute. Ever since Dewey set off on his Far Eastern vacation the cynical have been grinningly asking where Taft will go on his "get even" trip.

The evidence is that Taft was pretty well satisfied with the Vandenberg-for-foreign-affairs and Taft-for-domestic setup which obtained for a time.

But whether Taft would passively permit anyone else to step into even a part of the late Senator Vandenberg's shoes is another question. You may as well assume that he won't.

Truman's public equanimity about the Eisenhower subject, his very willingness to discuss it, has created a great deal of speculation. Some even theorize that the President, a strong believer in the practicalities of party organization, might prefer to meet a knight on a white horse rather than a natural candidate of the Republican state and city machines.

These are the ones who assume that Truman will be the Democratic nominee. The ideas that Eisenhower might be the Democratic choice in event of Truman's abdication, or that some sort of coalition ticket might be arranged in the face of all the traditional arrangements for selection of a president of the United States, are being by-passed.

Nearly all I have talked to agree on one thing. If Eisenhower is a candidate, anyone else is going to be on ticklish grounds.

The old argument about the "military mind" and American fear of it in government will be there, with disagreement over whether the "military mind" cliche truly applies to Eisenhower.

Within the Republican party, of course, is the politicans' fear of a non-organization man.

Party career men fear any irregularity which might develop in appointments and lack of attention to a party organization which has been subjected to a gradual malnutrition for nearly 20 years. That's practical politics and a fear which nobody expresses in connection with Taft.

There is also the objection, and the most public one, that Eisenhower is not skilled in political management, despite his recognized organizational ability, that his great successes were in a time of emergency when he had the backing of some of the world's most knowledgeable men.

They will say that Eisenhower would be no less confused than anyone else on such a matter as economic controls and that his experience cannot be a substitute for practical knowledge of political and economic possibilities.

These arguments against Eisenhower can be presented in dignified and measured terms. It would be up to Eisenhower to discount their validity.

Taft is capable of conducting a "stop Eisenhower" campaign on this dignified plane.

But there would be no more assurance than ever that this sort of campaign in the primary period would "fire up" the people to meet the Democrats in the election, because these are not "firing up" issues with most people.

Dewey would be in the wings, capable of taking advantage of any popular backfire produced by any attack on Eisenhower which overstepped the line of public sensitivity regarding a great hero.

RECIPE OF THE WEEK
By Mary Lee Taylor

Lemon Chiffon Pie
Broadcast: August 11, 1951

1¼ cups graham cracker crumbs
¼ cup soft butter
6 tablespoons sugar
1½ cups Pet Milk
2 slightly beaten eggs
⅓ cup water
1½ teaspoons grated lemon rind
¼ teaspoon salt
1 pkg. lemon gelatin
2 tablespoons lemon juice

Mix crumbs, butter and 2 tablesp. sugar. Press in bottom and on sides of 9-in. pie pan. Chill. Chill 1 cup milk until ice cold. Mix eggs, ¼ cup sugar, ½ cup milk, water, lemon rind and salt. Cook and stir over boiling water until slightly thickened. Remove from heat. Add gelatin; stir until dissolved. Chill until mixture begins to thicken. Whip chilled milk with cold rotary beater until fluffy. Add lemon juice; whip until stiff. Fold into gelatin mixture. Put into crumb-lined pan. Chill until firm.

You Will Need:
Pet Milk, Graham Crackers, Eggs, Lemon Gelatin, Lemons.
